

CITY OF ANTIGO

PARKS, CEMETERY AND RECREATION COMMISSION

MEETING

MULTI-PURPOSE ROOM

Monday, April 10, 2023

CITY HALL, 700 EDISON STREET

5:30 PM

Call to Order

Discussion and Action May Occur on Any of the Following Agenda Items:

1. Minutes from the March 13, 2023 Meeting (pending completion)
2. Accept Grant Funds for Peaceful Valley Festival Grounds Development
3. Approval of Kayak Launch Bid from Crandon Docks & Lifts for \$44,149 for the Lakeside Development Project
4. Shelter Bid Approval from Porter Corp./Poligon for \$25,477.30 for the Lakeside Development Project
5. Approval of Sensory Equipment Playground Bid from Lee Recreation \$49,288
6. Accept Grant Funds for Draeger Family Splash Pad

Any Other Matters Authorized by Law to be Considered

Adjournment

Upon reasonable notice, efforts will be made to accommodate disabled individuals through appropriate aids and services. For additional information, contact Cheryl Barta, 700 Edison Street, Antigo, Wisconsin 54409. (715) 623-3633 extension 100. Members of and possibly a quorum of members of other governmental bodies may be in attendance to gather information. Any governmental body other than that specifically referred to above will take no action.

DATE MAILED: April 07,2023

GLENN BUGNI

To: Mayor and City Council
From: Sarah Repp, Parks, Recreation, and Cemetery Supervisor
Date: April 10, 2023
Re: Accept Grant Funds for Peaceful Valley Festival Grounds Development

The Elwyn Remington Foundation approved our request for \$15,000 for development of the Peaceful Valley Festival Grounds. See included project description.

The Andy L. and Leone Sheldon Charitable Trust also approved our request for \$15,000 for development of the Peaceful Valley Festival Grounds.

Additional funding requests have been made to American Association of Retired Persons (AARP) and Vibrant Spaces Grant (each \$30,000),

I am requesting permission to approve acceptance of the grant funds in the amount of \$15,000 from the Elwyn Remington Foundation, \$15,000 from the Andy L. and Leone Sheldon Charitable Trust, and also any future awards from AARP, and Vibrant Spaces for development of the Peaceful Valley Festival Grounds.

Peaceful Valley Festival Grounds

A Festival Grounds for the Community

Retractable Awnings & Covered Stage

Create a “Festival Grounds”, which includes a covered stage area and retractable awnings, which provide shade on sunny days and shelter during a rain event.

Potential and Multi-Functional

The covered retractable awning area would allow for bands, performances, shows, markets, and other community events that are beyond the capacity limits of the current pavilion.

The area could also provide for a wedding on the covered raised stage, seating under the Festival Ground awnings, and the reception in the pavilion.

Lights strung under the framework for the retractable awnings will create an inviting scene even with the awnings retracted.

With a series of retractable awnings, you would be able to provide shade in certain sections, or cover the entire area.

Re: Approval of Kayak Launch Bid from Crandon Docks & Lifts for \$44,149 for the Lakeside Development Project

The City of Antigo received 3 bids for an American Disability Act (ADA) Kayak Launch for the Lakeside Development Project, which is being funded through a 50% matching Department of Natural Resources (DNR) Knowles Stewardship Grant, and budgeted and approved Capital Equipment/Improvement Plan (CIP) Funds.

We are recommending approval of the bid from Crandon Docks & Lifts with installation for a total cost of \$44,149 as this was the low bid that met specs.

New ADA Compliant Canoe and Kayak Dock Launch

J.F. Brennan Company, Inc. is pleased to provide the enclosed proposal for your new ADA compliant canoe and kayak dock/launch. Our entire organization, team of engineers, and construction professionals are all grateful for the opportunity to submit this proposal.

The dock will be manufactured by Hewitt Machine & Manufacturing, Inc. at their factory in Nicollet, MN. This will be from the Custom Floating dock line and will feature an aluminum frame and powder coated aluminum decking. The decking is one of the features that we feel makes this dock superior to others on the market. The powder coated finish is both durable and provides an excellent non-skid surface. A cut sheet is provided for review. The drive-in/on ramp will use Thru-Flow decking to allow water to pass through and slide rails to facilitate easy launching. The dock is designed to meet or exceed all the general specifications provided in the request for proposal.

The gangway is 6' wide by 12' long and will hinge on the dock. The shore end features a 24" long heavy-duty aluminum transition plate with replaceable wear edge. The transition plate will tie in the gangway with shore in an ADA compliant way. This is done with a small step down for the gangway frame to sit on with rollers to allow movement with changes in water levels. The step down will keep the transition plate near level and within ADA guidelines.

The transfer bench system is custom fabricated to our design specifications. It features fully welded aluminum construction. An over-head grab rail is provided to ease transfer from the bench to the boat, and back. Pictures are provided to show details.

The following pages contain the drawings for the specific dock that we are proposing with actual dimensions listed. There are also the pictures of a very similar dock/launch located in the city of La Crosse. If you would like to reach out, our contact for the City of La Crosse is Gary Turk. He can be reached at 608.792.3982 or couleereionservices@gmail.com. Gary would be happy to answer any questions about the dock/launch in use in La Crosse.

QT Powder Coated All-Aluminum Decking

Quality

- Baked-on powder coated finish that is resistant to scratching, peeling, fading and wear.
- Lightweight.
- Corrosion resistant.

Appearance

- Extruded 3/4" design for superior strength.
- Non-skid surface.
- Sound deadening material installed to insure a quiet deck.
- Extrusion widths are 8", 9.6", and 12".
- Standard length is 16' - available in 24' lengths.
- Available in white or beige.

Maintenance

- Bracing recommended every 24" – Maximum span of 30".

Warranty

- 5 year conditional warranty (excluding paint).

Re: Shelter Bid Approval from Porter Corp./Poligon for \$25,477.30 for the Lakeside Development Project

The City of Antigo received 3 bids for a 20' x 20' Shelter for the Lakeside Development Project, which is being funded through a 50% matching Department of Natural Resources (DNR) Knowles Stewardship Grant, and budgeted and approved Capital Equipment/Improvement Plan (CIP) Funds.

We are recommending approval of the bid from Porter Corp./Poligon for a total cost of \$25,447.30 as this was the low bid that met specs, and commercial and local building code.

Parks, Recreation and Cemetery Department Staff will install the shelter.

Re: Approval of Sensory Equipment Playground Bid from Lee Recreation \$49,288

Sensory and inclusive play equipment provides all children, their parents, and friends an opportunity for activity and multisensory experiences that lead to the development of good motor skills and a healthy active lifestyle.

The Unified School District of Antigo has 359 children with special needs, and creating community spaces that are inclusive and accessible is important for those children and their families.

In 2021, the City of Antigo replaced the playground equipment in Hudson Street Park with updated play features, and poured-in-place safety surfacing. Poured-in-place surfacing meets playground safety standards for falls as well as American Disability Act (ADA) for accessibility.

When Jeanne and Alycia reached-out to the City of Antigo to construct a sensory and inclusive playground we realized we had an opportunity to expand the playground at Hudson Street, and build something special for the community.

Our goal is to create a space at Hudson Street that is inclusive for all ages and abilities. Sensory play panels, outdoor musical instruments, and an ADA Wheelchair swing/glider/rocker feature will be added adjacent to the existing playground.

To date just over \$26,317 has been raised since November of 2021. In addition, we have budgeted \$45,000 for a total project budget of \$71,317.35. We are grateful for the efforts made by Jeanne Long and Alycia Fetterly to champion for inclusive playground features and equipment.

Play is important for all children's development and growth; we are excited to be able to offer our community and visitors a unique play experience in Hudson Street Park at the Wright Place Playground.

Attached/enclosed are the tabulated bid results, and the 4 proposals that were submitted.

I am recommending the bid from Lee Recreation at a total cost of \$49,288. Lee Recreation installed the original playground equipment at Hudson Street, and their bid meets specs. Remaining budgeted funds will be used to install the concrete that the features will be placed on.

Specifications

The City will consider group purchasing or cooperative purchasing options/bids (i.e. Direct Government Sales, IPA, etc.)

The City of Antigo is requesting sealed bids for standalone sensory and inclusive playground equipment/features. Below are general descriptions for the various items that the City of Antigo may consider. City of Antigo staff will complete installation of the playground equipment/features.

Please include pictures of each piece of equipment bid.

Bidders are not required to bid each piece of equipment for a bid to be considered.

The City of Antigo may select some or all the features bid.

All equipment/features bid need to withstand outdoor elements. None of the features shall require batteries or electricity.

Plans for all products/features must be included.

All equipment/features must be standalone; features will be mounted parallel to an accessible walkway.

Re: Playground Equipment

Enclosed please find our proposal for new ADA and sensory friendly play equipment.

Bliss Products and Services, Inc. has over 39 years of experience in providing playground equipment such as the pieces we are proposing. We have worked with our various vendors to find you the right matches to what the bid is asking for. For this particular bid, we are proposing equipment from Ultraplay, BigToys, Sportsplay and Freenotes. Cut sheets for each piece are included along with the warranty information from each vendor.

Please do not hesitate to contact us with any questions. Should any arise, please contact our Bid Manager, Kristen George. She can be reached via phone at 800-248-2547 or by email at kristen@blissproducts.com.

We look forward to the opportunity to work with you on this project.

Sincerely,

Gregg Bliss
President
Bliss Products and Services, Inc.

Wheelchair Swing

This custom ADA swing comes with a wheelchair platform swing. Optional pull chain is available to enable users to enter, propel themselves, and exit on their own.

Specifications

- Use Zone: 20' x 32'
- Weight Capacity: 800 lbs

Equipment manufactured by Sportsplay, Inc.

Tuned Drums

The Tuned Drums come as a set of five, all different sizes and sounds. Our Tuned Drums have a distinctive Afro-Cuban influence; they are similar to traditional conga drums and have a specifically shaped sounds chamber that amplifies the sound. The drums are played using the hands to create a tom-tom like sound, creating an exciting avenue for players to create their own music and produce a big, open, resonant sound.

Features and Benefits

- Multigenerational
- Interactive play
- Durable, yet sculptural
- Perfectly tuned
- Caps are replaceable

Equipment manufactured by Freenotes.

Xylophone Panel

Young musicians are able to play real songs on the Xylophone Panel, which is tuned to provide a full octave of fun in the key of “C”. In early childhood, children experiments with cause and effect by making music. .

Features and Benefits

- Great way to bring music and movement to an outdoor learning environment

Equipment manufactured by BigToys.

Chime Panel

Play the sounds of the rainbow with the Chime Panel. The array of tubes produce clear tones that can be used as children explore music. As children create tones by hitting the tubes, they are beginning to explore music and how to create it.

Features and Benefits

- Brightly colored chime panels
- Different colors make the individual notes even more distinct

Equipment manufactured by BigToys.

Mirror Panel

The Mirror Panel is a fun way for children to engage their peripheral vision and visual tracking.

Features and Benefits

- Enhances sensory and motor skills
- Allows for imaginative play

Equipment manufactured by Sportsplay, Inc.

Labyrinth Panel

The Labyrinth Panel is a fun and easy way to bring math and counting to your outdoor play environment.

Features and Benefits

- Engage in cognitive development
- Utilize problem solving skills as children turn the panel to navigate a marble through the maze

Equipment manufactured by BigToys.

For multisensory learning, this panel offers movable cylinders with shapes, colors, and favorite objects.

Features and Benefits

- Engage in cognitive development
- Shapes includes: circle, diamond, rectangle, square, triangle, oval, arrow, star, and octagon

Equipment manufactured by BigToys.

Finger Maze Panel

A playground classic, children trace the routed grooves with their finger, creating patterns and solving logic games they create themselves.

Features and Benefits

- Engage in cognitive development
- Interactive panel to allow multiple children to play at once

Equipment manufactured by BigToys.

Ball Turn Panel

The Ball Turn Panel is a great spinning panel to allow children a visual stimulation.

Features and Benefits

- Sensory feedback from this panel is great for children!
- NOTE: Bubble shown in image is clear, however, bubbles are now white since clear is no longer supported from the available supplier.

Equipment manufactured by Sportsplay, Inc.

Game Central Station

This exciting play station comes with multiple interactive panels for children to engage in imaginative play with one another. It also includes a bench seat and table (far right side) to allow children to take a break from playing.

Features and Benefits

- Encourages socialization on the playground
- Interactive panels to allow multiple children to play at once

Equipment manufactured by Ultraplay.

Certificate of Warranty

Lifetime* Warranty is offered on the following:

- Aluminum Domes
- Aluminum Rings
- Spring Rider Aluminum Ponies
- Cast Aluminum Backboards

Metal Modular Units/Components:

Limited Lifetime* Warranty

- Steel Support posts
- Aluminum clamps

Limited 15-year Warranty

- Main support materials
- Decks

Limited 10-year Warranty

- Plastic components

Limited 3-year Warranty

- Fun Center polyethylene and plastic components

Limited 1-year Warranty

- All products not listed above.

*Lifetime warranty pertains to the life of the equipment. The LIFETIME warranty for Aluminum Fan Backboards only applies to aluminum fan backboards in which the goal is **mounted directly to the post** as recommended by the manufacturer and installed per manufacturers instructions. The warranty will be voided for all backboards not installed per these requirements. Use of any other attachment method will void all warranties written, expressed or implied.

If any of these products are damaged under normal use conditions, return the broken parts to Sports Play Equipment, Inc. at their St. Louis, Missouri plant. SportsPlay will send you a brand-new replacement part. You pay only the return and outbound freight.

Repair/Replacement orders for warranted products will be for the component part only. (Not the entire product.) Contact your SportsPlay distributor for a return authorization.

Warranties apply to structural failure caused by defective materials or defective workmanship, and with normal use and proper maintenance and installation. Damages from misuse, vandalism, lack of maintenance, improper installation, unauthorized repairs or modifications, acts of God or acts beyond SportsPlay's control, or cosmetic issues such as scratches, dents or fading of colors, are not covered by the warranty, nor does the warranty cover the cost of freight or labor for removal and installation of repaired or replacement parts.

Warranties are limited to repair or replacement of defective parts. A repaired or replacement part is covered only for the original warranty period. All warranties begin on the delivery date of the goods. Warranties are non-transferable and only apply to end users who purchase new products directly from SportsPlay or an authorized SportsPlay distributor for personal or business use and not for purpose of re-distribution or re-sale.

NO OTHER WARRANTIES APPLY. SPORTSPRAY EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE ABOVE WARRANTIES EXCLUDE ANY LIABILITY OTHER THAN AS EXPRESSLY STATED INCLUDING, BUT NOT LIMITED TO, ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES.

BigToys & EarlyWorks Environments Limited Warranty | 2018

LIMITED WARRANTY ON BIGTOYS

BigToys provides a lifetime limited warranty on BigToys: a fifty-year limited warranty on recycled plastic lumber including solid recycled plastic decking, enclosure and roof components; a fifteen-year limited warranty on pipes, rails, loops, and rungs; a lifetime limited warranty on metal upright posts; and a one-year limited warranty on powder coated parts. These warranties cover damage due to failure or corrosion of metal parts that cause the product to become structurally unfit for its intended use. Lifetime warranty covers the life of the product as defined below and cover the product under normal use, proper maintenance and at original installation location; see exclusions.

LIFETIME LIMITED WARRANTY ON HARDWARE

BigToys provides a lifetime warranty against structural failure due to breaking or shearing which causes the product to become structurally unfit for its intended use; a lifetime warranty on stainless steel hardware against rust; and a one-year limited warranty on hardware against rust; see exclusions. All testing of BigToys hardware is performed under the guidelines of ASTM B117. The lifetime warranty refers to life of the product as defined below and covers the product under normal use and proper maintenance. The cost of the replacement due to scratching or cutting of certain hardware plating is not included in this warranty.

LIMITED WARRANTY ON INTEGRATED SHADE PRODUCTS

BigToys provides a ten-year limited warranty on fabric canopies against tears, runs, cracking, mildew and color fading except for red, which has a three-year color warranty. Canopies have a limited warranty against structural failure due to wind of up to 90 miles per hour (mph) and structural failure due to snow and ice loading exceeding five pounds per square foot. Fabric canopies are to be removed if winds are expected to exceed 90 mph or when snow or ice is expected. Fabric warranty does not cover damage resulting from chemical contact. All metal upright posts and support structure framing have a ten-year limited warranty against becoming structurally unfit for the intended and a one-year limited warranty against rusting and **workmanship of painted surfaces. Warranty is limited to winds of up to 90 mph when fabric canopies are installed (wind resistance improves 10 to 20 mph without canopies).**

BigToys & EarlyWorks Environments Limited Warranty | 2018

FIFTEEN-YEAR LIMITED WARRANTY ON ROTOMOLDED PRODUCTS

BigToys provides a fifteen-year limited warranty on rotomolded products and ten-year limited warranty on polyethylene handholds for structural integrity against damage due to breaking or splitting under normal use that causes the product to become structurally unfit for its intended use; see exclusions. In the event of a claim under this warranty, BigToys will replace the rotomolded product at no cost to the customer.

LIMITED WARRANTY ON CONDITIONED WOOD

BigToys provides a fifteen-year limited warranty on conditioned wood components including decks, enclosures and roofs and on conditioned wood uprights utilizing metal footings; and an eight year limited warranty on conditioned uprights without metal footings against structural failure due to deterioration from fungi or insects that render the product to become unfit for its intended use; see exclusions.

LIMITED WARRANTY ON NET CLIMBERS AND COMPONENTS

BigToys provides a five-year limited warranty on nylon-covered cable net climbers and components against structural failure caused by cable breakage; a five-year limited warranty on nylon-covered cable wear and deterioration resulting from defects in material and workmanship; and a one-year limited warranty on nylon rope products. These warranties cover damage due to failure that cause the product to become structurally unfit for the intended use; see exclusions.

LIMITED WARRANTY ON SITE FURNISHINGS

BigToys provides a ten-year limited warranty on site furnishings against structural failure and a one-year limited warranty on powder coating. These warranties cover damage due to failure or corrosion of metal parts that cause the product to become structurally unfit for the intended use; see exclusions.

LIMITED WARRANTY ON FIBERGLASS SIGNAGE AND HDPE PANELS

BigToys provides a ten-year limited warranty on fiberglass sign panels against delaminating or fading and a five-year warranty on high density polyethylene (HDPE) panels against degradation and discoloration.

FIVE-YEAR LIMITED WARRANTY ON BELT AND INFANT SWING SEATS

BigToys provides a five-year limited warranty on belt and infant swing seats against structural failure that causes the seats to become unfit for its intended use; see exclusions.

BigToys & EarlyWorks Environments Limited Warranty | 2018

FIVE-YEAR LIMITED WARRANTY ON FREENOTES INSTRUMENTS AND POSTS

Freenotes Harmony Parks instruments and posts carry a five-year limited warranty against failures in manufacturing or materials.

TWO-YEAR LIMITED WARRANTY ON MOVEABLE PARTS

BigToys provides a two-year limited warranty on moveable plastic and metal with respect to failure due to material or production defects.

ONE-YEAR LIMITED WARRANTY ON ALL OTHER BIGTOYS PRODUCTS

Products included in the BigToys catalog that are manufactured by other PlayCore companies, including but not limited to UltraSite, UltraPlay, UltraShade and UltraShelter, will maintain the warranty of each respective brand.

For the purpose of this warranty, lifetime encompasses no specific term of years, but rather that Seller warrants to its original customer for as long as the original customer owns the Product and uses the Product for its intended purpose that the Product and all parts will be free from defect in material and manufacturing workmanship.

The warranty is not effective if products have not been installed properly according to the instructions provided by BigToys, or maintained correctly according to the BigToys Maintenance Manual.

BigToys excludes from these warranties the cost to remove parts and reinstall replacements; replacement due to cosmetic defects or coating deterioration caused by climatic conditions; and wood replacement resulting from twisting, warping, checking, shrinking, swelling or other natural physical properties of wood.

The warranty does not cover normal wear and tear, surface corrosion on metal parts, discolored surfaces and other cosmetic issues or failures due to misuse or vandalism.

BigToys & EarlyWorks Environments Limited Warranty **2018**

To the extent permitted by law, these warranties are expressly in lieu of any other implied or expressed warranties or representation by any person, including any implied warranty of merchantability or fitness. These warranties provide valuable rights to you. No Sales Representative can modify or amend the terms of this warranty.

Claim Procedure

To make a warranty claim, send your written statement of claim, along with the original purchase invoice or invoice number to:

BigToys
Customer Service
P.O. Box 680121
Fort Payne, AL 35968

Or Contact you local Representative at
USA 1-866-814-8697

Within 60 days of notice of claim under warranty, BigToys will make arrangements to replace the damaged product. BigToys will cover freight costs within the continental United States. BigToys is not responsible for freight costs associated with products located outside the continental United States. BigToys reserves the right to inspect all products identified as damaged.

Since warranty limitations and exclusions may vary from state to state, you should check any specific warranty rights in your state.

See BigToys on the web at www.bigtoys.com

All warranties specifically exclude damage caused by man-made or natural disasters, vandalism, negligence, improper installation or improper use, modification, changes in appearance resulting from weathering, scratches, dents, discoloration, normal wear and tear, or marring as a result of public or private use.

Claims are limited to replacement of equipment only and do not include any costs associated with labor, removal or installation of the original or replacement product.

Warranties are valid only if products are installed and maintained in accordance with UltraPlay installation instructions and use of approved parts.

To register your equipment and activate your warranty, please go to [www.ultraplay.com/product registration](http://www.ultraplay.com/product-registration) within 30 days of delivery. This will allow UltraPlay to have a record of your purchase in case of warranty claims.

Warranty

UltraPlay warrants its products to be free from defects in materials and/or workmanship, subject to normal usage and installation, for a period of 1-year from the date of shipment to the original purchaser. In the event of a claim under this warranty, UltraPlay will replace the component at no cost within the first 12 months from date of shipment to the original customer. Equipment not specifically addressed in the following paragraphs is also subject to this limited 1 year warranty against defects in materials and/or workmanship.

FIFTEEN-YEAR LIMITED WARRANTY ON METAL PARTS

UltraPlay provides a limited warranty on metal decks, steps, stairs, rails, pipes, support posts, rungs, loops, to be free from defects in materials or workmanship against structural failure which causes the product to become unfit for its intended use, subject to normal usage and installation, for a period of 15 years from the date of shipment to the original customer.

TEN-YEAR LIMITED WARRANTY ON UPRIGHT POSTS

UltraPlay provides a limited warranty on Early Play metal posts to be free from defects in materials or workmanship against structural failure which causes the product to become unfit for its intended use, subject to normal usage and installation, for a period of 10 years from the date of shipment to the original customer.

FIVE-YEAR LIMITED WARRANTY ON GROUND-MOUNT METAL PARTS

UltraPlay provides a limited warranty on HDPE Panels, metal footers, inground footers, surface mount plates, ground spikes, mounting posts and plates to be free from defects in materials or workmanship against structural failure which causes the product to become unfit for its intended use, subject to normal usage and installation, for a period of 5 years from the date of shipment to the original customer.

ONE-YEAR LIMITED WARRANTY ON HARDWARE

UltraPlay provides a limited warranty on hardware, Moving Parts and ComfyTuff™ Coated Foam Platforms to be free from defects in materials or workmanship against structural failure due to breaking or shearing, subject to normal use and installation, for a period of 1 year from the date of shipment to the original customer.

BURKE GENERATIONS WARRANTY®

The Longest and Strongest warranty in the industry

BCI Burke Company, LLC ("Burke") warrants that all standard products are warranted to be free from defects in materials and workmanship, under normal use and service, for a period of one (1) year from the date of shipment.

We stand behind our products.

In addition, the following products are warranted, under normal use and service from the date of shipment as follows:

- One Hundred (100) Year Limited Warranty on aluminum and steel upright posts (including Intensity®, Synergy™, Nucleus®, Voltage®, Little Buddies®, ELEVATE®, ACTIVATE®, INVIGORATE™) against structural failure due to corrosion, deterioration or workmanship.
- One Hundred (100) Year Limited Warranty on KoreConnect® clamps against structural failure due to corrosion, deterioration or workmanship.
- One Hundred (100) Year Limited Warranty on Hardware (nuts, bolts, washers)
- One Hundred (100) Year Limited Warranty on bolt-through fastening and clamp systems (Synergy™, Intensity®, Nucleus®, Voltage®, Little Buddies®, ELEVATE®).
- Twenty-Five (25) Year Limited Warranty on spring assemblies and aluminum cast animals.
- Fifteen (15) Year Limited Warranty on structure platforms and decks, metal roofs, table tops, bench tops, railings and barriers against structural failure due to materials or workmanship.
- Fifteen (15) Year Limited Warranty on all plastic components including StoneBorders against structural failure due to materials or workmanship.
- Ten (10) Year Limited Warranty on ShadePlay Canopies fabric, threads, and cables against degradation, cracking or material breakdown resulting from ultra-violet exposure, natural deterioration or manufacturing defects. This warranty is limited to the design loads as stated in the specifications.
- Ten (10) Year Limited Warranty on NaturePlay® Boulders and GFRC products against structural failure due to natural deterioration or workmanship. Natural wear, which may occur with any concrete product with age, is excluded from this warranty.
- Ten (10) Year Limited Warranty on Full Color Custom Signage against manufacturing defects that cause delamination or degradation of the sign. Full Color Custom Signs also carry a two (2) year warranty against premature fading of the print and graphics on the signs.
- Five (5) Year Limited Warranty on Intensity® and RopeVenture® cables and LEVEL X® flex bridge against premature wear due to natural deterioration or manufacturing defects. Determination of premature wear will be at the manufacturer's discretion.
- Five (5) Year Limited Warranty on moving parts, including swing components, against structural failure due to materials or workmanship.
- Five (5) Year Limited Warranty on PlayEnsemble® cables and mallets against defects in materials and workmanship.
- Three (3) Year Limited Warranty on electronic panel speakers, sound chips and circuit boards against electronic failure caused by manufacturing defects.

The warranty stated above is valid only if the equipment is erected in conformity with the layout plan and/or installation instructions furnished by BCI Burke Company, LLC using approved parts; have been maintained and inspected in accordance with BCI Burke Company, LLC instructions. Burke's liability and your exclusive remedy hereunder will be limited to repair or replacement of those parts found in Burke's reasonable judgment to be defective. Any claim made within the above stated warranty periods must be made promptly after discovery of the defect. A part is covered only for the original warranty period of the applicable part. Replacement parts carry the applicable warranty from the date of shipment of the replacement from Burke. After the expiration of the warranty period, you must pay for all parts, transportation and service charges.

Burke reserves the right to accept or reject any claim in whole or in part. Burke will not accept the return of any product without its prior written approval. Burke will assume transportation charges for shipment of the returned product if it is returned in strict compliance with Burke's written instructions.

THE FOREGOING WARRANTIES ARE EXCLUSIVE AND IN LIEU OF ANY OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. IF THE FOREGOING DISCLAIMER OF ADDITIONAL WARRANTIES IS NOT GIVEN FULL FORCE AND EFFECT, ANY RESULTING ADDITIONAL WARRANTY SHALL BE LIMITED IN DURATION TO THE EXPRESS WARRANTIES AND BE OTHERWISE SUBJECT TO AND LIMITED BY THE TERMS OF BURKE'S PRODUCT WARRANTY. SOME STATES DO NOT ALLOW THE EXCLUSION OF CERTAIN IMPLIED WARRANTIES, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

Warranty Exclusions: The above stated warranties do not cover: "cosmetic" defects, such as scratches, dents, marring, or fading; damage due to incorrect installation, vandalism, misuse, accident, wear and tear from normal use, exposure to extreme weather; immersion in salt or chlorine water, unauthorized repair or modification, abnormal use, lack of maintenance, or other cause not within Burke's control; and

Limitation of Remedies: Burke is not liable for consequential or incidental damages, including but not limited to labor costs or lost profits resulting from the use of or inability to use the products or from the products being incorporated in or becoming a component of any other product. If, after a reasonable number of repeated efforts, Burke is unable to repair or replace a defective or nonconforming product, Burke shall have the option to accept return of the product, or part thereof, if such does not substantially impair its value, and return the purchase price as the buyer's entire and exclusive remedy. Without limiting the generality of the foregoing, Burke will not be responsible for labor costs involved in the removal of products or the installation of replacement products. Some states do not allow the exclusion of incidental damages, so the above exclusion may not apply to you.

The environment near a saltwater coast can be extremely corrosive. Some corrosion and/or deterioration is considered "normal wear" in this environment. Product installed within 500 yards of a saltwater shoreline will only be covered for half the period of the standard product warranty, up to a maximum of five years, for defects caused by corrosion. Products installed in direct contact with saltwater or that are subjected to salt spray are not covered by the standard warranty for any defects caused by corrosion.

Contact your local Burke Representative for warranty information regarding Burke Turf® and Burke Tile products.

Terms of Sale

Pricing: Prices published in this catalog are in USD, are approximate and do not include shipping & handling, surfacing, installation nor applicable taxes. All prices are subject to change without notice. Contact your Burke representative for current pricing. Payments are to be made in USD.

Weights: Weights are approximate and may vary with actual orders.

Installation: All equipment is shipped unassembled. For a list of factory-certified installers in your area, please contact your Burke representative.

Specifications: Product specifications in this catalog were correct at the time of publication. However, product improvements are ongoing at Burke, and we reserve the right to change or discontinue specifications without notice.

Loss or Damage in Transit: A signed bill of lading is our receipt from a carrier that our shipment to you was complete and in good condition upon arrival. Before you sign, please check the Bill of Lading carefully when the shipment arrives to make sure nothing is missing and there are no damages. Once the shipment leaves our plant, we are no longer responsible for any damage, loss or shortage.

For more information regarding the warranty, call Customer Service at 920-921-9220 or 1-800-356-2070.

Burke INNOVA® BRIDGE & ROCKER

FEATURES & BENEFITS

- Provides rocking and socialization options for children of all abilities and doesn't require a transfer from a mobility device.
- Creates unexpected play experiences and play value by transforming a playground "necessity" into a play event!
- Focuses on what children can do and brings everyone into the heart of play – together.
- Rocking is a healthy and fun experience that fosters development in a variety of important areas from balance to proprioception.
- InnoVA Bridge and Rocker bring equity to the playspace and promotes inclusivity by providing options for children of all abilities to have the same experience on the playground.
- InnoVA features contrasting HDPE for entrance areas so users can identify a change, textured HDPE on surfaces to create traction and instructions for locking mobility devices on the platform. These smart design features communicate necessary information and provide features for everyone to enjoy InnoVA together!
- Burke Built® and backed by Burke's Generations Warranty® with a 100-year limited warranty on posts, 15-year limited warranty on HDPE, 5-year limited warranty on flex bridge and moving parts.

DEVELOPMENTAL BENEFITS

Cognitive: Creative Thinking

Burke SERENITY SPOT™

PLAY THAT MOVES YOU.

Learn. Socialize. Sit. Relax. Play. Engage. All this and more are the purpose behind the creation of the Serenity Spot. Within a playspace sometimes a child, caregiver or parent needs a comfortable place to step away and still be part of the playspace. Children with autism or other sensory processing differences can be especially overwhelmed by noise, movement or simply need a space to express themselves freely. The Serenity Spot can offer that space. A fort-like environment with games, a spinning seat, a rubber kick pad and a variety of activities that can be calming and allow the expression of stimming behaviors, this is a place where everyone is welcome to be themselves.

Burke SERENITY SPOT™

FEATURES & BENEFITS

- Serenity Spot offers a space for children to step away from or to prepare for entry into the action. It's FULL of engaging games, colors and activities for children to play while they take a break or just spend time socializing together or with a caregiver.
- Informed by research, the Serenity Spot is designed for all children with a special focus on children on the Autism spectrum.
- A fort-like environment that offers special features such as a kick flap, objects to manipulate and a mirror to help see and express emotion, the Serenity Spot has options for children to express themselves freely and provide an outlet for stimming behaviors of children on the ASD spectrum.
- Enhances and encourages intergenerational play with spaces for children and caregivers to sit and interact.
- Customizable with many color combinations from Burke's vast array of exciting colors.
- Can be used as a freestanding or designed in the heart of a Nucleus Play Structure to give children a place to seek out as they plan their play.
- Burke Built® and backed by Burke's Generations Warranty® with a 100-year limited warranty on posts, 15-year limited warranty on HDPE and 3-year limited warranty on moving parts.

DEVELOPMENTAL BENEFITS

Cognitive Skills: Problem Solving, Cognitive Planning

Sensory: Tactile, Visual

Motor Skills: Motor Planning, Fine Motor

Social/Emotional Skills: Cooperation, Social Skill Development

Burke 3-IN-A-ROW PANEL

PLAY THAT MOVES YOU® – Development, fun and imagination are paramount with Burke's latest play panels. From cooperation and socialization to memory and strategic thinking, play panels offer opportunities for all children to develop skills while engaging with peers and learning outside. 3-In-A-Row is a way to bring games to the playground and teach cooperation. Memory Reactions is an interactive game that challenges kids to improve their memory skills and learn through play. Choose these engaging panels for your next playground project and see how they can move you!

Burke 3-IN-A-ROW PANEL

FEATURES & BENEFITS

- Kids can create their own games, learn to take turns and practice cooperating and work towards a shared goal while improving their creative and strategic thinking skills, strategy, mathematical reasoning and patterns.
- Kids will love to play this game and have so much fun they won't realize all the important math competencies they are improving upon.
- Panels offer versatility of design and can be used as part of a playground structure or as a freestanding play area.
- Long wear and bright colors keep their vibrancy for years. Plastics are covered for 15 years under our Generations Warranty® and electronic panel speakers, sound chips and circuit boards are covered for three (3) years.
- Panels are beautifully designed with the Burke aesthetic to blend into any Nucleus® or Synergy® playscape. Two-sided play panels add value to the space with ground-level versions featuring a fun finger maze for added play value.

DEVELOPMENTAL BENEFITS

Sensory: Auditory, Proprioception, Tactile, Visual

Motor Skills: Eye-Hand Coordination, Motor Planning

Social/Emotional Skills: Cooperation, Imaginative Play, Social Skill Development, Turn-Taking

Cognitive Skills: Problem Solving, Strategic Thinking, Creative Thinking, Memory

3-IN-A-ROW RING PANEL

Burke PINBALL & PISTON PANELS

PLAY THAT MOVES YOU.

Inspired by classic games, the Pinball and Piston panels engage children in a STEM or STEAM activity that includes multiple interaction points, an opportunity for exploration and challenge and has a high return play value so kids want to keep coming back for more! Adding panels to your playground brings learning outdoors and makes it fun and interactive.

Burke PINBALL & PISTON PANELS

FEATURES & BENEFITS

- Brings children of all abilities together for child-directed learning and exploration within the playspace.
- Pinball is a reactive game that keeps children engaged by offering a responsive play experience – the game responds to your input so it's up to you how the game plays!
- The Piston panel allows children to explore a combustion engine in a simple way using pucks and a cam. This system is inherently reactive, fun to explore and teaches basic engineering concepts through play.
- Fosters intergenerational engagement when children and adults play together and helps kids get more time at the playground when parents/ caregivers can participate in play.
- No batteries or electrical needed so installation and maintenance are easier and more efficient.
- Burke Built® and backed by Burke's Generations Warranty® with a 15-year limited warranty on HDPE.

Burke PLAYENSEMBLE®

PLAY THAT MOVES YOU.

Add sweet vibrations to your playground, sensory garden or outdoor space with new PlayEnsemble Outdoor Musical Instruments. These fun pieces are developmentally rich, inherently inclusive and incredibly engaging for people of all ages and abilities. The FlowerGarden consists of whimsical flowers with different musical scales and intervals to explore. The Babel Drum is a unique instrument that looks and plays like a drum but sounds like a bell or chime. The Babel Drum offers design versatility and a small footprint that can be placed with other PlayEnsemble instruments or on any post in a Nucleus playspace.

The use and layout of play components identified in this plan conform to the CPSC guidelines. U.S. CPSC recommends the separation of age groups in playground layouts.

Warning: Accessible safety surfacing material is required beneath and around this equipment that is compliant with ASTM, CPSC, and ADAAG requirements.

INVITATION FOR BID

The City of Antigo will accept sealed bids for an accessible wheelchair glider, rocker, or to-and-fro motion feature, various sensory playground panels, and a quiet/peaceful/tranquility/soothing spot/space with interactive features.

Installation will be completed by staff in-house.

Bids will be accepted until **Wednesday, April 5, 2023 at 10:00 am**

Bids can be submitted online or at City Hall (700 Edison Street; Antigo, WI 54409):

<https://www.antigo-city.org/antigo-city-bids-quotes-rfps/>

If you are submitting a paper bid please mark the outside of the sealed envelope with:
Playground Bid

Please refer any questions to:

Telephone: 715.623.3633 extension-131 or e-mail: srepp@antigo-city.org

The City of Antigo reserves the right to reject any or all bids and to accept the bid deemed the most advantageous to the City of Antigo.

City of Antigo
Park and Recreation Department

GENERAL SPECIFICATIONS

The following specifications are intended to serve as general guidelines to obtain bids on comparable equipment. It is the intent of these specifications to describe a unit that we feel best meets our requirements. These specifications are to be considered minimum specifications unless stated otherwise. All necessary equipment and shall be furnished and delivered complete and ready for immediate use. The bid information shall itemize in detail all standard and accessory equipment. The equipment shall be equal to or exceed the following specifications, and shall conform to all safety and OSHA regulations. All parts not specifically mentioned which are necessary to provide a complete operating piece of equipment shall be included in the bid and shall conform in strength, quality of material, and workmanship to what is usually provided by the manufacturer and generally accepted by industry.

The supplier shall describe in detail those areas where their equipment does not comply with these specifications. Any alternate equipment or material deviating from the specifications must be noted with the bid proposal. Deviations may or may not be considered informalities in bidding. Deviations that may or may not be accepted by the City shall also be described in detail. Failure to do so may result in disqualification of the bid.

The term "standard" is defined as that equipment listed or shown as standard equipment at no extra cost in the manufacturer's current publications.

The City of Antigo reserves the sole discretion in determining the best and most qualified bid. The decision to purchase will be based on price, performance, maintenance history, availability of parts and service, equipment warranty (if any), evaluation of quality, past operating experience and delivery date.

The City of Antigo reserves the right to reject any and all bids, and determine the choice of equipment in the best interests of the City after considering those criteria mentioned in the preceding paragraph.

WARRANTY & RECALLS

Warranty work or recalls must be fully explained at delivery. If warranty work or recall work needs to be performed on unit successful bidder shall complete any work at bidder's cost.

INTENT

It is the intent of these specifications to describe a unit, which will consist of the manufacturer's new model. The equipment will include all necessary parts and shall be delivered new, and after installation ready for immediate use. All parts not specifically mentioned but which are necessary for the complete unit shall be supplied and installed by the vendor even though such work or materials are not specifically outlined and shall conform in strength, quality of material and workmanship to the best practice known to the industry.

Specifications

The City will consider group purchasing or cooperative purchasing options/bids (i.e. Direct Government Sales, IPA, etc.)

The City of Antigo is requesting sealed bids for standalone sensory and inclusive playground equipment/features. Below are general descriptions for the various items that the City of Antigo may consider. City of Antigo staff will complete installation of the playground equipment/features.

Please include pictures of each piece of equipment bid.

Bidders are not required to bid each piece of equipment for a bid to be considered.

The City of Antigo may select some or all the features bid.

All equipment/features bid need to withstand outdoor elements. None of the features shall require batteries or electricity.

Plans for all products/features must be included.

All equipment/features must be standalone; features will be mounted parallel to an accessible walkway.

Ref. No.	Part No.	Qty.	Description	Unit ASTM Status	Total Weight (lbs)	Pre- Consumer Recycled Content (lbs)	Post- Consumer Content (lbs)	CO2e Footprint (kgs)	Users	Install Hours	Concrete (Yds3)	Active Play Events
	ASTM F1487											
	The lay-out for this custom playscape, design number 500-2306, has been configured to meet the requirements of the ASTM F1487 standard. In addition, each of the above components listed as "Certified" have been tested and are IPEMA certified. Components listed as "Not Applicable" do not fall within the scope of the ASTM F1487 standard and have not been tested. IPEMA certification can be verified on the IPEMA website, www.ipema.org . In the interest of playground safety, IPEMA provides a Third Party Certification Service which validates compliance.											
	2010 ADA Standards for Accessible Design											
	The lay-out was also designed to meet the 2010 Standards published 15-Sep-2010, by the Department of Justice when installed over a properly maintained surfacing material that is in compliance with ASTM F1951 "Accessibility of Surface Systems Under and Around Playground Equipment" as well as ASTM F1292, "Impact Attenuation of Surfacing Materials Within the Use Zone of Playground Equipment", appropriate for the fall height of the structure.											
	Installation Times											
	Installation times are based on one experienced installer. A crew of three experienced individuals can perform the installation within the given time, each member working 1/3 of the given hours. [Eg. Installation Time = 30 hours. For a crew of three, each member will work 10 hours on the installation for a total of 30 hours on the project.]											
	Carbon Footprint											
	The CO2e (carbon footprint given in Kilograms and Metric Tons) listed above is a measure of the environmental impact this play structure represents from harvesting raw materials to the time it leaves our shipping dock. Playworld Systems nurtures a total corporate culture that is focused on eliminating carbon producing processes and products, reducing our use of precious raw materials, reusing materials whenever possible and recycling materials at every opportunity. Playworld Systems elected to adopt the Publicly Available Specification; PAS 2050 as published by the British Standards Institute and sponsored by Defra and the Carbon Trust. The PAS 2050 has gained international acceptance as a specification that measures the greenhouse gas emissions in services and goods throughout their entire life cycle.											
	Pre-Consumer Recycle Content											
	A measurement, in pounds, that qualifies the amount of material that was captured as waste and diverted from landfill during an initial manufacturing process and is being redirected to a separate manufacturing process to become a different product. E.g. 100% of our Aluminum Tubing is made from captured waste material during the manufacturing process of extruded Aluminum products such as rods, flat bars and H-channels.											
	Post-Consumer Recycle Content											
	A measurement, in pounds, that qualifies the amount of material that was once another product that has completed its lifecycle and has been diverted from a landfill as a solid waste through recycling and is now being used in a Playworld Systems' product. E.g. **20% to 40% of the steel in our steel tubing and sheet steel have been diverted from landfills. Automobiles are scrapped and recyclable steel is purchased by the steel mill that produces our raw product.											
	** The amount of Post-Consumer recycled steel fluctuates daily based on the availability of the recycled steel.

Re: Accept Grant Funds for Draeger Family Splash Pad

The Sonnetag Foundation approved a \$5,000 donation for the Draeger Family Splash Pad.

Additional funding requests for the Draeger Family Splash Pad have been made to WPS (\$2,000), and the Community Health Foundation, Inc (\$28,380) to fund the project.

I am requesting permission to approve acceptance of the Sonnetag Foundation donation of \$5,000. I am also requesting permission to accept grant funds, if awarded, from WPS and Community Health Foundation, Inc for the Draeger Family Splash Pad.
