Re: Approval to Re-Design Al Remington Seating Deck

We received one bid for the project, and unfortunately it is beyond budget.

I am recommending that we have the architect and engineer make some modifications to the design, and re-bid the project this winter.

I am requesting authorization to have a redesign completed by the architect and engineer for a cost not to exceed \$5,000.00; these are budgeted funds.

Re: Award Most Advantageous Lumber & Hardware Bid

The City of Antigo received a bid from Wilhelm Lumber LLC for materials and hardware to complete low-level boardwalks in the Northern Natural Area that will provide connections to the back 9 of the disc golf course, rough trails, and x-country ski trails.

The total price for material and hardware including delivery is \$17,290.22.

I am recommending accepting the bid from Wilhelm Lumber LLC for \$17,290.00, which includes delivery; this is budgeted.

Re: Award Most Advantageous Bid For Commercial Diesel Mower

The City of Antigo received 2 bids for the Commercial Diesel Mower 48" Deck.

Quinlan's submitted a bid for a gasoline mower; we would like a diesel mower.

Riesterer & Schnell submitted a bid for a diesel mower; total price: \$10,304.87, which is within our budget.

Riesterer & Schnell also offered the trade price of \$2,750.00 for our Kubota garden tractor.

I am recommending we accept the diesel mower bid by Riesterer & Schnell and accept the trade for the Kubota garden tractor.
