Re: Accept \$5,000.00 Donation from Antigo Rotary for Sled Hill Improvements

Antigo Rotary Club donated \$5,000.00 towards sled hill improvements at the Railway Activity Park (1011 First Avenue). In addition to the monetary donation, Rotary also volunteered their time and assisted the Park, Recreation, and Cemetery Department landscaping the hill and placing fencing.

The City of Antigo Street Department assisted with reshaping the hill with use of their equipment, and also their employee Todd Tatro.

I am recommending that the donation, from Rotary, for sled hill improvements be accepted.
