CITY OF ANTIGO

PARKS, CEMETERY AND RECREATION COMMISSION MEETING

MULTI-PURPOSE ROOM	Monday, December 11, 2023
CITY HALL, 700 EDISON STREET	5:30 PM

Call to Order

Discussion and Action May Occur on Any of the Following Agenda Items:

1. 2024-2025 Park Plan Review of Park Green Space

Any Other Matters Authorized by Law to be Considered

Adjournment

Upon reasonable notice, efforts will be made to accommodate disabled individuals through appropriate aids and services. For additional information, contact Cheryl Barta, 700 Edison Street, Antigo, Wisconsin 54409. (715) 623-3633 extension 100. Members of and possibly a quorum of members of other governmental bodies may be in attendance to gather information. Any governmental body other than that specifically referred to above will take no action.

DATE MAILED: December 07,2023 TIM KASSIS

"Antigo Area on the go"

To: Mayor and City Council

From: Sarah Repp, Parks, Recreation, and Cemetery Supervisor

Date: December 11, 2023

Re: 2024-2025 Park Plan Review of Park Green Space

Purpose

The City of Antigo Comprehensive Outdoor Recreation Plan is a tool that will be used to assist with the management of the parks and their facilities, community recreation programs, the municipal cemeteries, and urban forestry program.

With the plan as a guide a more systematic approach towards accomplishing our goals and meeting the needs of our community can be achieved. A comprehensive inventory of our parks, programs, current operations and community demographics has assisted with building a strong plan for the next five years and beyond. Community feedback guided the major direction of the plan and provided strong impetus for many of the park projects.

Any recommended changes should take into account the overall mission and goals of the larger plan. A formal approval process for any changes or additions is a requirement and is in the best interest of our community. The formal approval process includes commission, board and council approval.

Adoption of this plan by the City of Antigo Common Council and subsequent acceptance by the Wisconsin Department of Natural Resources (WisDNR), will continue eligibility of the county and its local units of government for the Federal Land and Water Conservation Fund Program (LWCF), Aids for the Acquisition and Development of Local Parks (ADLP), Urban Green Space Program (UGS) and Urban Rivers Grant Program (URGP). Local government grant applications have a better chance of approval if Langlade County applies on their behalf. *(Fred Heider, Langlade County ORP Plan 2012-2016 page 1*)

Non-profit groups, foundations, and the general public may also use this document to coordinate their own private efforts for developing outdoor recreation facilities. *(Heider, Langlade County ORP Plan 2012 page 1)*

We hope to accomplish a number of items over the next five years in the form of facility upgrades, major park improvements and continued collaboration between organizations, groups and individuals.

Our mission and goal is continued progress towards completion of our parks, which promotes our community and serves the broadest public base possible through thoughtful and functional considerations. We will continue to promote cooperation and transparent and open discussion with the public. In addition, another primary goal is to continue with accessibility compliance as well as safety compliance in both our parks and programs.

Statutory Base for This Plan

"This Outdoor Recreation Plan (ORP) was prepared pursuant to Wisconsin Statute §23.30 Outdoor Recreation Program. This section serves to "promote, encourage, coordinate, and implement a comprehensive long-range plan to acquire, maintain, and develop for public use, those areas of the state best adapted to the development of a comprehensive system of state and local outdoor recreation facilities and services..." *(Heider, Langlade County ORP Plan 2012 page 1)*

Submission of this adopted ORP to the Wisconsin Department of Natural Resources establishes eligibility for the county and local units of government to apply for a variety of Federal and State Aids for outdoor recreation (Chapter NR 50.06(4), Wisconsin administrative code)." (*Heider, Langlade County ORP Plan 2012 page 1)*

5 year Park Plan Matrix

Park Name	Fund/Account	Priority Timeline (in years)					
Antigo Lake Park		2024	2025	2026	2027	2028	2029
Have plans drafted and engineered for future development of Lake Park, which include a new shelter/concession/restroom building, and parking lot. *Refer to Senior League Ball Field Plan and Lake Park Ball Field Plan.*	CIP	x					
Accrue Funds for new Lake Park Shelter/Concession/Restroom Facility	CIP	x	x	x	x	x	x
Construct new shelter/concession/restroom building, and parking lot; include trash receptacles, tables and chairs / picnic tables	CIP, Grants, Donations						x
Purchase and install new modular play structure with sensory components and PIP accessible surfacing.	CIP, Grants, Donations						x

Antigo Lake RV Park and Campground		2024	2025	2026	2027	2028	2029
Install electronic hardwired locks	General Operating	x					
Install electronic self-registration system with electronic message/information board			x				
Construct padded overflow sites, and connect overflow driveway to the north	CIP		x				
Construct open air shelter with picnic tables and grills	CIP			x			
Install epoxy flooring in shower / restroom facility	CIP		x				
Install Bike Rental Station	CIP		x				

Attachment: 5 year park plan Matrix (6548 : 2024-2025 Park Plan)

Park Name	Fund/Account	Priority Timeline (in years)					
Cherry Street Park		2024	2025	2026	2027	2028	2029
Upgrade playground equipment and replace surfacing with woodchips or PIP	CIP		x				

City Park East		2024	2025	2026	2027	2028	2029
Remove sand under play features, and replace with woodchips or PIP	CIP			x			
Epoxy Floor in restrooms	CIP	x					
Update Bathroom Partitions	CIP		x				
Upgrade Externior Doors	CIP		x				
Smart-side gable end	CIP	x					
Replace blacktop around shelter where needed	CIP		x				

City Park West		2024	2025	2026	2027	2028	2029
Remove sand under play features, and replace with woodchips or PIP	CIP			x			
Make necessary Bandstand Repairs	General Operating	x					

Dog Park		2024	2025	2026	2027	2028	2029
Install shade structures over benches (must be approved by the DNR, so as not to damage the clay cap)	CIP		x				
Install Dog Agility Stations in both the large Dog and Small Dog Areas	CIP		x				

Hudson Street Park		2024	2025	2026	2027	2028	2029
Install sensory playground equipment, music instruments, serenity spot, wheel chair glider, and ADA pathways (concrete poured by contractor)	General Operating & CIP	x					
Clean-up vegetation / landscaping around detention basin	General Operating		x				
Install a permanent picnic table near floating fishing pier							
Install fountain in detention basin	CIP		x				

Attachment: 5 year park plan Matrix (6548 : 2024-2025 Park Plan)

Park Name	Fund/Account	Priority Timeline (in years)					
Jaycee Park or Antigo High School - Antigo School District		2024	2025	2026	2027	2028	2029
Jaycee Park is owned and operated by the Unified School District of Antigo. The facility currently has 6 deteriorating tennis courts. The park has restrooms, is adjacent to a track with water access, and is surrounded by fencing. The goal would be to resurface the courts, and construct up to 12 pickleball courts. Updates to the restroom facility would also be a needed becuase all the services were removed. The High School is another location to consider for Pickleball Courts. Complete a contract with the high school and local pickleball leagues, and work to accrue funds through donations, and secure in-kind labor agreements.	Grants / Donations / in-kind labor	x	x	x	x	x	x

Kingsbury Park		2024	2025	2026	2027	2028	2029
Place concrete pad under bike rack	CIP		x				

Lakeside Park		2024	2025	2026	2027	2028	2029
Complete park development per plan and grant (includes consturction of an open-air 20'x20' shelter, boat launch, parking, pathways, trash receptacles, signage, tree plantings and picnic tables)	CIP and Knowles Stewardship Grant	x					
Install a rental kayak & bike station	Grants					x	

Attachment: 5 year park plan Matrix (6548 : 2024-2025 Park Plan)

Park Name	Fund/Account	Priority Timeline (in years)					
Mendlik Park		2024	2025	2026	2027	2028	2029
Resurface Basketball Courts	CIP	x					
Remove small basketball court and move playground equipment to the small court location					x		
Create bump-in parking on the Mendlik Street Side where the play equipment was					x		
Create larger access in fencing	General Fund	x					

North Clermont Playground		2024	2025	2026	2027	2028	2029
Purchase and install new modular play structure with sensory components and PIP accessible surfacing.	CIP					x	
Resurface basketball court	CIP		x				

Peaceful Valley Park		2024	2025	2026	2027	2028	2029

Antigo Lake Park

425 Third Avenue

Park Classification: Community Park
Park Season: Spring - Fall
Park Hours: 7:00 am - Dusk
Restroom Facilities: Yes
Restroom Season: Spring - Fall
Restroom Hours: 7:00 am - 8:30 pm
Shelter and Concession Stand: Available for reservations from May 1 - October 1
Playground Equipment: Play area for small children. Includes a swing-set, 2 slides, a teeter-totter, two rocking horses, sandbox and bench. Other areas of the park include two large swing sets, large slide, two teeter-totters and a jungle gym.
Additional Amenities: Picnic tables and grills located throughout the park. Adjacent to 3 ball fields, and the Antigo Lake RV Park and Campground.
Total Acreage: 6.597
Parcel(s) Number: 2010323, 2010317, 2010318, 2010320

General Park Description
Antigo Lake Park is home to Lake Park Ball Diamond and the only softball field in the city with lights. There are restrooms, a shelter facility and concession stand. The Springbrook Trail winds along to the south of the park, and this area is complete with a kiddie park and additional playground equipment, grills and picnic tables.

History
Lake Park Restroom Facility was originally a warming house facility when ice skating occurred on Antigo Lake, and adjacent park space. Many of the upgrades to the softball diamond over the years were funded through donations.

The shelter was funded through Wisconsin ORAP/LPA (1974)

Recent Upgrades
- Woodchips replaced sand under playground features

Future Projects/Upgrades
- Have plans drafted and engineered for future development of Lake Park, which include a new shelter/concession/restroom building, playground and parking lot. *Refer to Senior League Ball Field Plan and Lake Park Ball Field Plan.*
- Accrue funds for new Lake Park Shelter/Concession/Restroom Facility.
- Construct new Lake Park Shelter/Concession/Restroom Facility, parking lot, and new modular play structure with sensory components and PIP surfacing per the drafted plans.

Additional Notes/Comments
Antigo Lake Park is a heavily utilized facility due to the close proximity to Lake Park, Kretz Park, and Senior League ball diamonds. Because of the close proximity to Springbrook Trail the restroom facility has seen increased usage. The block building is not efficient to heat and is no longer used in the winter for activities.

Because of the increase in usage due to ball tournaments, the Springbrook Trail, and the campground it is

Attachment: 2024-2029_CORP (6548 : 2024-2025 Park Plan)

recommended that a new shelter/restroom/concession facility be constructed.

Current Park Utilities
Electric: Yes
5 electrical outlets are available on separate 20 amp circuits. There are no outlets on the exterior of the building.
Concession Lighting is operated on a dusk to dawn photo sensor.
5 electrical outlets on separate 20 amp circuits on the interior walls of the restroom building shelter area.
Gas: Yes
Water: Yes
Sewer: Yes
Storm water: Yes
Notes: The storm water utility was implemented in 2010 by the City of Antigo Common Council to offset storm water repairs and maintenance. We began incurring costs in May of 2010.

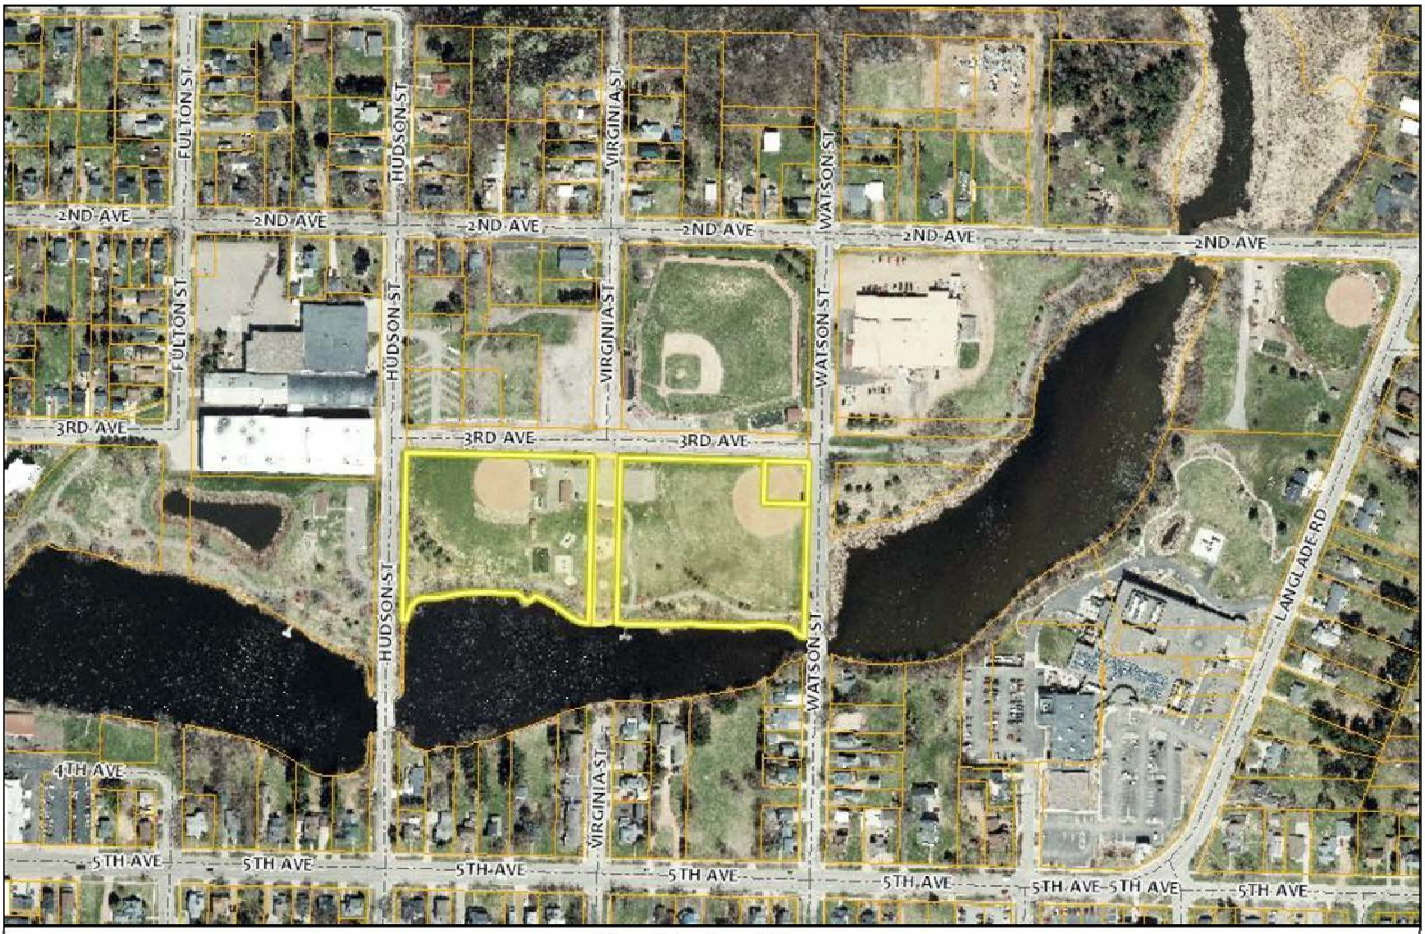

Property Description
Buildings
Concession Stand with shelter attached (masonry bearing walls)
Dimensions: 20' x 21'6" Concession Stand, 20' x 26' Covered Shelter Area
Year Built: 1976 (estimate)
Interior Contents: Walk-in Freezer, Chest Freezer, Sink, Grills and Serving Area

Restrooms with enclosed shelter area and interior office/maintenance room (masonry bearing walls)
Dimensions: 22' x 47' (entire building), 21' x 23' (restroom building interior shelter area)
Year Built: 1975 (estimate)
Interior Contents: Water Fountain, network / IT components

Playground Equipment
Kiddie Play Structure
2 seat, 2 post swing
Animal bouncy/spring toys
3 see-saws
2 seat, 2 post swing
4 seat, 3 post swing
Quad Climber
Slide (free standing)

Additional Amenities / Property in the Open
Picnic Tables
Grills (4 small grills located throughout the park)

Antigo Lake RV Park and Campground

815 Hudson Street

Park Classification: Special Use Area
Park Season: May 1 - October 1
Park Hours: 24 hours during the season
Restroom Facilities: Men's and women's restrooms each with 2 showers
Restroom Season: May 1 - October 1
Restroom Hours: 24 hours during the season with key code access for campers
Additional Amenities: RV Dump station available for non-camper use
Total Acreage: 2.772
Parcel(s) Number: 2010238.003, 2010238.001, 2010238.002, 2010238.007, 2010238.005, 2010239

General Campground Information

- **Check-Out:** 1pm on the following day of the last paid night.
- **Check-In:** You may occupy your site once the prior reservation party has left.
- **Online or Self Registration**
- **Re-Registration:** Campers must re-register by 4pm the day prior to their last day if they wish to stay additional nights.
- **Quiet Hours:** 10pm-6am
- **Site Sizes & Information:**
    - **Padded RV sites (1-13)** accommodate RVs up to 45' in length, have 50 amp & 30 amp electric, and water/sewer: **$25/night**
    - **Overflow sites (32-41)** accommodate RVs up to 45' (Site 32 accommodates RV's up to 25') in length, have 50 amp & 30 amp electric: **$15/night**
    - **Sites 14-17** will accommodate a small 22' length camper, or tent; have 15 amp standard outlets (will not power a camper): **$15/night**
    - **Sites 18-20** are tent only spaces; 15 amp standard outlets: **$10/night**
- **Restroom / Shower Facility:** All sites/campers have access to the shower/restroom facility. Showers are on a timer and don't require quarters. The access code for the shower/restroom facility will appear at the bottom of your receipt.
- **Dump Station:** The Dump Station is free for registered campers. The fee is $10 for non-registered campers.
- **Water:** You may fill your camper on site (spigot is labeled and located at the south west entrance); $10/fill
- **Fire Rings & Picnic Tables:** Available at each site.
- **Firewood:** We stock firewood from trees removed in our parks, boulevards, or city cemeteries. Firewood is typically available throughout the season with a free-will donation. The key to access the wood shed is in the shower/restroom facility.
- **Wifi:** Wifi is available, and the code will appear at the bottom of your receipt
- **Games:** Bean Bag Toss, Ladder Ball, and Disc Golf discs are located in the storage container in the grass area between the overflow and tent sites.

Attachment: 2024-2029_CORP (6548 : 2024-2025 Park Plan)

Future Projects/Upgrades

- Install electronic hardwired locks
- Install electronic self-registration system with electronic message/information board
- Construct padded overflow sites, and connect overflow driveway to the north
- Construct open air shelter with picnic tables and grills
- Install epoxy flooring in shower / restroom facility
- Install bike rental station

Additional Notes/Comments

- The City of Antigo Lake RV Park and Campground receives usage throughout it's spring, summer and fall season.
- To accommodate the increased usage due to ball tournaments, Friday races and other events the RV Park expanded a tent camping area with an overflow RV area to the east; adding an additional 17 sites.
- Two parcels (2010238.005 and 2010239) were acquired in 2010 as part of the hospital land exchange.
- The Department of Agriculture, Trade and Consumer Protection regulate the campground. Each year it is inspected for compliance with state and federal codes for campground facilities. Each year the City of Antigo pays for a license to operate and completes a cross connection test.

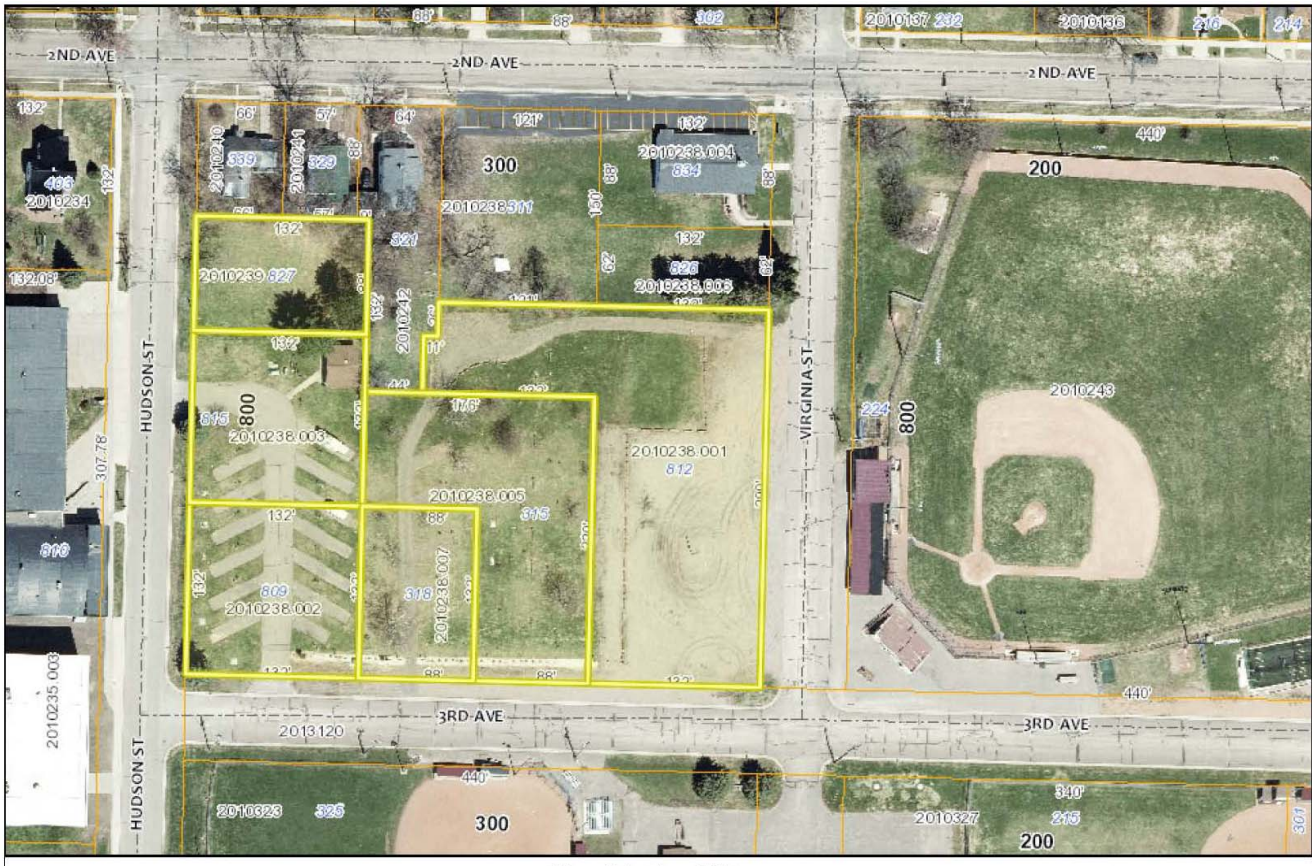

Current Park Utilities
Electric: Yes
Description: sites 1-13 and 32-41 have 30amp and 50amp electrical hook-ups. Sites 14-20 have a 15amp standard outlet. The restrooms are lit and have GFI outlets.
Gas: No
Water: Yes (sites 1-13)
Description: sites 1-13 have water hook-ups and the restrooms each have 2 showers and toilets and urinal (men's only).
Sewer: Yes
Description: sites 1-13 have sewer hook-ups. The campground also has a dump station for non-camper use. A lift station is on site.
Storm water: Yes
Notes: The storm water utility was implemented in 2010 by the City of Antigo Common Council to offset storm water repairs and maintenance. We began incurring costs in May of 2010.

Property Description

Cherry Street Park

422 South Clermont - located on South Clermont and Cherry Street

Park Classification: Neighborhood Park
Park Season: Year round
Park Hours: 7:00 am - Dusk
Restroom Facilities: A portable toilet is located on the south edge of the park for a portion of the summer.
Restroom Season: Summer months
Restroom Hours: 7:00 am - Dusk
Playground Equipment (sand): 4 swings (2 baby and 2 child), 1 slide and 1 teeter-totter
Additional Amenities: Backstop, wooden benches, and open green space
Total Acreage: 0.344acres
Parcel(s) Number: 2012576

General Park Description
This park is heavily utilized by neighborhood children year round. The large open green space is conducive for a number of activities. The park is in close proximity to the School District owned Jaycee Park.

The bench beneath the tree was built by Levi Fernauld for his Eagle Scout project (2010).

History

- All swing links were updated to a clevis link instead of s-hooks (this upgrade was made after a playground safety inspection in the spring of 2010).
- Levi Fernald built a total of nine benches for the City of Antigo Park System. One of his benches was placed in Cherry Street Park in the fall of 2010 creating a shaded resting spot for parents or children.
- A total of twelve Black Hills Spruce were planted in the Spring of 2010. These plantings were partially funded by a DNR Urban Forestry Grant. The plantings are along the fence line and will create an aesthetically pleasing buffer for the playground.
- Future plans for this site were drafted in 2010 by Schreiber Anderson.

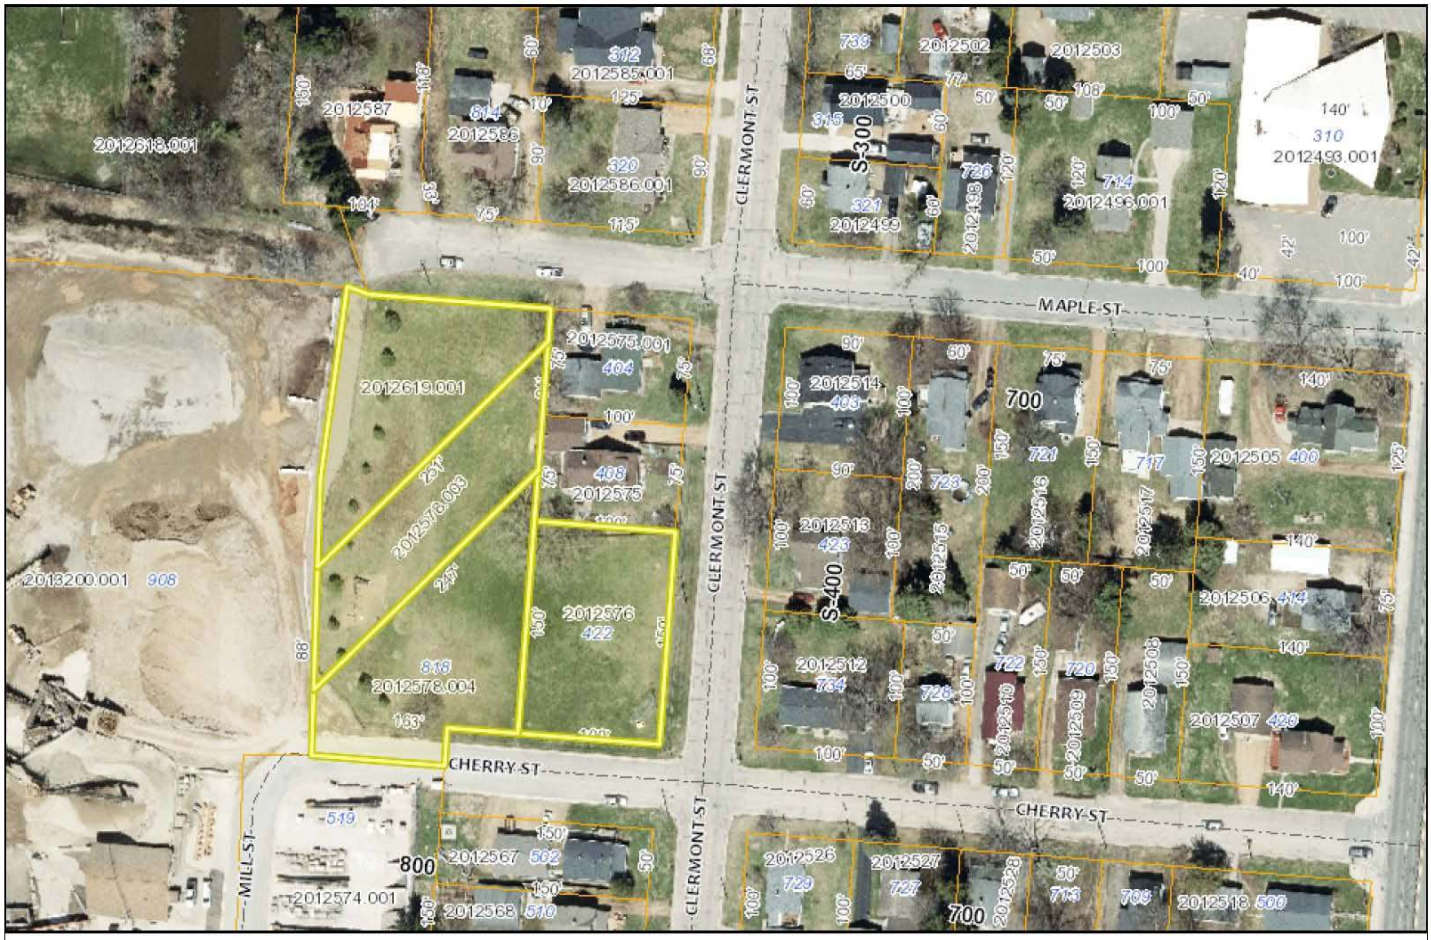

Future Project/Upgrades

- Future development per Schreiber Anderson park plan
- New playground equipment

Current Park Utilities
Electric: No
Gas: No
Water: No
Sewer: No
Storm water: Yes
Notes: The storm water utility was implemented in 2010 by the City of Antigo Common Council to offset storm water repairs and maintenance. We began incurring costs in May of 2010.

Cherry Street
422 S. Clermont Street

Leisure Park
- 4 Swings
- 1 Slide
- 1 Teeter Totter
- 1 Backstop
- Benches
- Approx. 1 Acre

Existing Elements
- A Playground
- B Open Green Space
- C Backstop

Proposed Improvements
1. Orchard room with no-mow lawn
2. Picnic table or benches
3. Expanded playground (new equipment)
4. Park sign with landscaping (shrubs and perennials)
5. Evergreen screening
6. Shade trees
7. Ornamental trees
8. Trail/boardwalk connection to Jaycee Park

Property Line

PARK STATEMENT:

BIO:

Cherry Street Park is a one acre greenspace located on Antigo's south side. It is surrounded by residential housing on three sides and Duffek Sand and Gravel pits along its western edge. The Park currently wraps two existing residential properties creating an intimate back lawn area. An existing playground and baseball field backstop are the only defining elements of the Park. Its character is summarized by its simplicity of open lawn area.

ENHANCEMENTS:

The proposed design shows a major evergreen buffer of the Parks western edge along with the creation of an 'orchard' room in its northern projection. Due to the proximity of the existing playground to the existing fence this element will have to be relocated further east. The orchard room is defined by quad clusters of shade trees on its corners and a gridded bosque of fruit trees set in an understory of no-mow fescue. An opening in the bosque would create a unique seating opportunity that would vary greatly depending on the season. Informal shade trees are placed to define the park while not infringing upon the ball field and open lawn area. Informal access would remain as presently exists. A uniform park sign with landscaping is located at the corner of Clermont and Cherry Streets. As a general rule, all open lawn areas in the Park system should undergo annual fertilization, weed/pest control, appropriate watering and an adaptable maintenance schedule that adheres to climatic conditions and not calendar dates. Environmentally sustainable park maintenance practices should be an underlying goal.

PLANT PALETTE:

CHERRY STREET 422 S. Clermont Street

	Common Name	Botanical Name	Growth Size	Cal.	Qty	Characteristics
SHADE TREES:						
FG.	Fagus grandiflora	American Beech	60' H x 60' W	2" min.	16	Prefers well drained soils - dense shade created underneath
PE	Prunus serotina	Black Cherry	50' H x 30' W	2" min.	6	Fragrant white flowers - edible fruits - Soil adaptable
QM	Quercus muhlenbergii	Chinkapin Oak	60' H x 60' W	2" min.	1	Small acorn (wildlife love) - Good for alkaline soils
UJ	Ulmus japonica x wilsoniana 'Morton'	Accolade Elm	70' H x 60' W	2" min.	2	Dutch elm resistant elm - classic elm shape - yellow fall color
ORNAMENTAL TREES:						
Ag	Amelanchier x grandiflora (MS)	Apple Serviceberry	25' H x 25' W	2" min.	X	Early spring white flowers - Edible fruit - four season appeal
Cc	Cercis canadensis	Redbud(WI strain)	15' H x 15' W	2" min.	X	Very adaptable - magenta spring buds
EVERGREEN TREES:						
AC	Abies concolor	White Fir	40' H x 20' W	6' Ht.	12	Large evergreen blue/green needles - prefers well drained soil
PS	Pinus strobus	Eastern White Pine	60' H x 40' W	6' Ht.	10	Large soft evergreen - demands aerated soil - soil adaptable

1.	Apple ssp.	Apple subspecies	Varies	Varies	--	Work with Grandview on appropriate selection
2.	Pear ssp.	Comice, Hardy, Parker	Varies	Varies	--	Appropriately zoned - 2 trees min. for proper pollination
3.	Plum ssp.	Toka	20' H x 15' W	Varies	--	Appropriately zoned - 2 trees min. for proper pollination
4.	Cherry ssp.	Montmorency, North Star	20' H x 15' W	Varies	--	Appropriately zoned - 2 trees min. for proper pollination

NOTE:
1. Reference tree planting details and specifications at the end of this document for important tree planting guidelines
2. Shrubs are listed as potential infill under or around evergreen trees and park signage (do not place taller shrubs in front of sign)

Attachment: 2024-2029_CORP (6548 : 2024-2025 Park Plan)

City Park East
231 Aurora Street

Park Classification: Neighborhood Park
Park Season: Spring - Fall
Park Hours: 7:00 am - Dusk
Restroom Facilities: Yes
Restroom Season: Spring - Fall
Restroom Hours: 7:00 am - 8:30 pm
Shelter: Available for reservations from May 1 - October 1
Playground Equipment: Slide, merry-go-round, swings (4 child and 6 baby), climbing play set (Sand), tot area with natural rock, stepping-stones, and balance beam (woodchips)
Additional Amenities:
James & Mary Draeger Family Splash Pad
Grills and picnic tables located throughout the park.
Backstop
Memorial benches offer seating near play equipment and the splash pad
Total Acreage: 5.787 (combined with City Park West)
Parcel(s) Number: 2011156

General Park Description
City Park East shares the same parcel number as City Park West. Both parks were planted with a variety of trees with the majority of trees being maple creating a shaded and picturesque park.

City Park East is also home to the James & Mary Draeger Family Splash Pad (free admission, adult supervision required). The Draeger Family donated $200,000 for the project, which replaced an aging and non-ADA compliant wading pool. WPS donated $2,000 and County Materials and the Community Health Foundation each donated $5,000 for the project; remaining funds were from the City of Antigo capital improvement project fund. The splash pad was constructed in the summer of 2023.

A backstop located in the south west section of the park is used by the 3 year old T-ball league in the summer months. It is also utilized by those reserving the shelter for various events.

A paved path leads to the restroom facility and splash pad. Bump-in parking on the west side of the park allows for convenient parking. The shelter facility and restrooms are attached, and have had updated electrical within the past ten years. There is a variety of playground equipment, picnic tables and grills located throughout the park.

History
The original wading pool was reconstructed through donated funds from the Sheldon family around 1985. Before the reconstruction there was no fence and a large rock pile in the center of the pool acted as a water feature. The pool and dolphin was a community fan favorite and the dolphin was incorporated in the sign for the splash pad.

The shelter was funded through the Federal Land & Water Conservation Fund (LAWCON), (1978-80)

Attachment: 2024-2029_CORP (6548 : 2024-2025 Park Plan)

Recent Upgrades

- Splash Pad installation summer of 2023
- New concrete slab under shelter due to cracking and heaving
- Rotary funded and helped install a small play area with a climbing rock, balance beam, and stepping stones
- Metal supports installed at the bases of the shelter posts due to rot caused by moisture
- New shelter roof 2016

Future Projects/Upgrades

- Replace sand under play features, and replace with woodchips or PIP
- Update bathroom partitions
- Epoxy floor in restrooms
- Upgrade exterior doors
- Smart-side gable end
- Replace blacktop around shelter where needed

Additional Notes/Comments

- City Park East is home to the annual Kid's Fisheree put on by Trout Unlimited. This event is free to the public.
- City Park East and West are also the starting points for the annual Tator Trot run/walk event.
- This park is heavily utilized in the summer and the shelter is booked almost every weekend during our summer season

Current Park Utilities

Electric: Yes
Four electrical outlets are available on separate 20 amp circuits.
Shelter lighting is operated by dusk till dawn photo sensor.
Gas: No
Water: Yes
Sewer: Yes
Storm water: Yes
Notes: The storm water utility was implemented in 2010 by the City of Antigo Common Council to offset storm water repairs and maintenance. We began incurring costs in May of 2010.

Property Description

Buildings

Laminated arch shelter with attached block restrooms
Dimensions: 32' 2" x 24' 1" (covered shelter area)
Year Built:
Interior Contents: Maintenance room with IT equipment
Splash Pad Cabinet
Interior Contents: Manifold and controller for Splash Pad

Playground Equipment

Play structures
Swings (2)
Merry-go-round (1)
Stepping stones, climbing rock, and balance beam

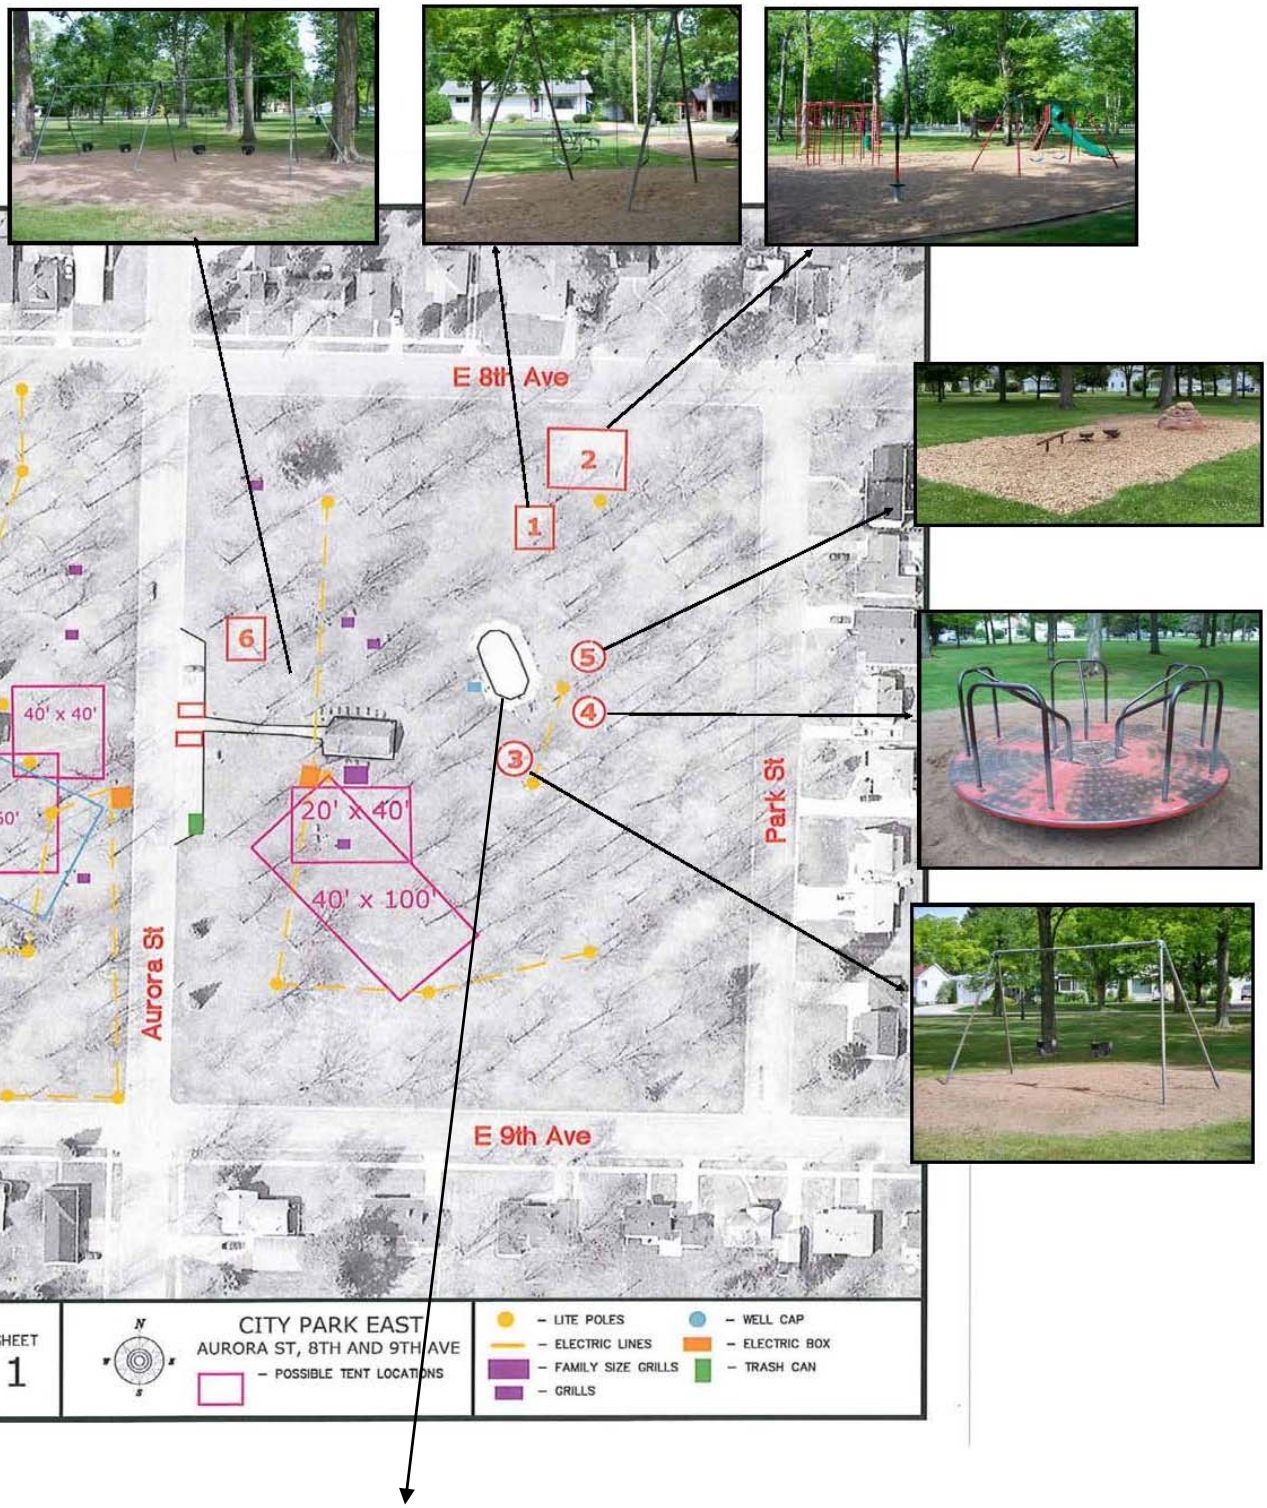

Additional Amenities/**Property in the Open**

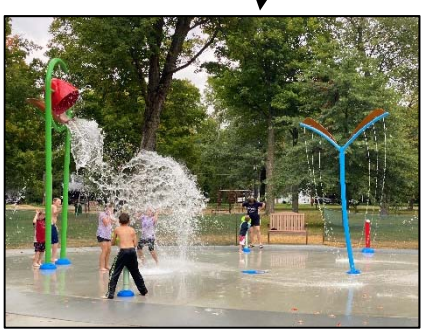

Picnic Tables
Grills: 5 grills located throughout the park including one large family grill

City Park West
230 Aurora Street

Park Classification: Neighborhood Park
Park Season: Spring - Fall
Park Hours: 7:00 am - Dusk
Restroom Facilities: Yes
Restroom Season: Spring - Fall
Restroom Hours: 7:00 am - 8:30 pm
Shelter and Bandstand: Available for reservations from May 1 - October 1
Playground Equipment: Swings (2 baby), merry-go-round, and large play-set with slide, tower and rock climbing wall.
Additional Amenities: Grills, picnic tables, and benches are located throughout the park. There are memorial benches and a bench near the playground that was built by Levi Fernauld for an Eagle Scout Project (2010). Outdoor bar to the east of the shelter.
Total Acreage: 5.787 (combined with City Park West)
Parcel(s) Number: 2011156

General Park Description
City Park West shares the same parcel number as City Park East. Both parks planted with variety of trees with the majority of trees being maple creating a shaded and picturesque park perfect for weddings or a family picnic.

City Park West is home to the newly renovated bandstand (2009). The bandstand is utilized for weddings, movies in the park and those reserving the shelter for various events.

The shelter facility and restrooms are separate facilities, and have had updated electrical. Staff constructed an outdoor bar to the east of the shelter facility for Music in the Park and private parties/reservations. The outdoor bar was made possible through a donation from the Mary Ann Noskowiak Family There are picnic tables, benches and grills located throughout the park.

History
City Park West had an original landscape design drafted by an Antigo area native and one of the first female landscape architects.

Recent Upgrades
- Drive access on the west side of the park leading to the shelter facility
- Outdoor bar with refrigerators and freezers east of the shelter
- New concrete slab under shelter due to cracking and heaving
- Metal supports installed at the bases of the shelter posts due to rot caused by moisture

Future Projects/Upgrades
- See Schreiber Anderson Park Plan for long term goals
- Remove sand under play features, and replace with woodchips or PIP
- Make necessary Bandstand repairs

Additional Notes/Comments
- City Park West is home to Music in the Park, which are free concerts offered to the public every Monday and Thursday during the summer months.
- City Park East and West are also the starting points for the annual Tator Trot run/walk event.
- This park is heavily utilized in the summer and is booked almost every weekend during our summer season.
- The bandstand is a picturesque setting for an outdoor wedding.

Attachment: 2024-2029_CORP (6548 : 2024-2025 Park Plan)

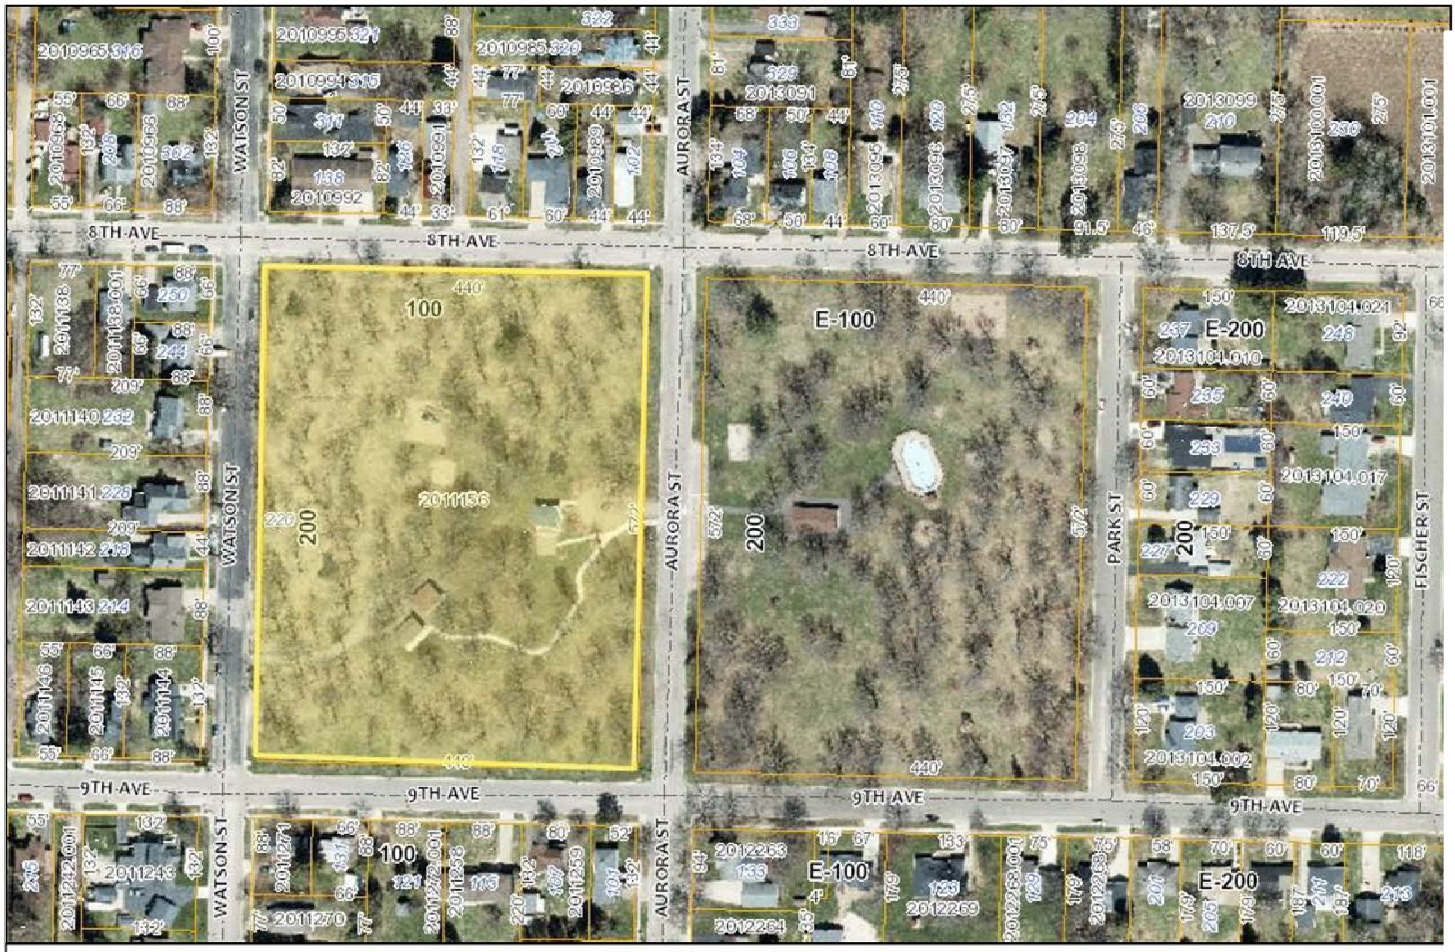

Current Park Utilities
Electric: Yes
1 electrical outlet is available on the west shelter
5 electrical outlets are located on the restroom building and operate on 5 20 amp circuits
1, 30amp stand-alone outlet to the north of the shelter
Shelter lighting is operated by a dusk to dawn photo sensor
WPS has lights on a contract in the park
3 ornamental lights surround the bandstand and patio—they are on a timer

City of Antigo Dog Park

2000 Hwy 64 (off the Hwy 64 bypass on the North West side of town)

Park Classification: Special Use Area
Park Season: Year-round
Park Hours: Dawn - Dusk (there are no lights within the park or in the parking areas).
Restroom Facilities: None
Potable Water: None
Parking: Parking is available on the south and north end of the park. The southern parking lot is a large developed gravel area, and the southern parking lot is a small blacktop parking pad that will accommodate a few vehicles. You may access the park from each parking area.
Additional Amenities: Benches, decorative fire hydrants
Total Acreage: 17 acres
Parcel(s) Number: 2012942.03

General Park Description: A fully fenced (approximately 17 acre) dog park with a separate 2 acre small dog area.

The Dog Park is located off the Hwy 64 bypass. This area was formally a landfill, but has since been capped. It is now utilized as space for owners and their pets to enjoy socializing and off-leash time within an expansive and beautiful fenced-in area.

The park features a separate small dog area (approximately 2 acres), various access gates to enter and exit the park, and various trails and open spaces which are mowed throughout the summer season.

Future Plans/Projects

- Install shade structures above benches. Nothing can pierce the clay cap of the landfill. Any structure must have DNR approval prior to placement.
- Dog Agility Stations in the both the large dog and small dog area.

Additional Notes/Comments

The City of Antigo is very grateful to an anonymous donor for $30,000.00 in funding for the Dog Park. We are also grateful to the many pet owners in the community that showed a strong and organized interest in the park

Attachment: 2024-2029_CORP (6548 : 2024-2025 Park Plan)

Hudson Street Park

728 Hudson Street

Park Classification: Neighborhood Park
Park Season: Spring - Fall
Park Hours: 7:00 am – Dusk
Restroom Facilities: Yes
Restroom Season: Spring - Fall
Restroom Hours: 7:00 am - 8:30 pm
Shelter: Available for reservations from May 1 - October 1
Playground Equipment: Multi-feature playset with poured-in-place surfacing. Wheelchair glider, serenity spot
Additional Amenities: Picnic tables and grills located through-out the park. Floating fishing pier, and large swing seat off trail.
Total Acreage: 4.391
Parcel(s) Number: 2010322.001

Description
Hudson Street Park is located along the Springbrook Trail and in close proximity to three ball fields and the Antigo Lake RV Campground. A floating fishing pier, benches, playground equipment, landscaping and the Hudson Street Bridge create a postcard look and scenic park backdrop.

History
Hudson Street Park was given a new look in 2009 As Merit Gear expanded and the park shelter was shifted to the south. New restrooms were installed and the shelter section of the facility was saved and added to the restrooms. In 2009 a retention basin was added and ornamental grasses were planted along the perimeter of the basin creating a picturesque park landscape. In 2010 the Springbrook Trail was completed including an overlook near the 4th Avenue dam. Sensory panels, wheelchair glider, musical instruments and serenity spot were made possible through the fundraising efforts of Jeanne Long and Alycia Fetterly who saw a need for inclusive and sensory play equipment.

Recent Upgrades
- New BCI Burke modular playground equipment added in 2021
- Sensory play panels, a serenity spot, musical instruments and wheelchair glider installed 2023

Future Projects/Upgrades
- Install sensory playground equipment, music instruments, serenity spot, wheel chair glider, and ADA pathways
- Clean-up landscaping around edge of retention basin
- Installation of a fountain in retention basin
- Install permanent picnic table near floating fishing pier

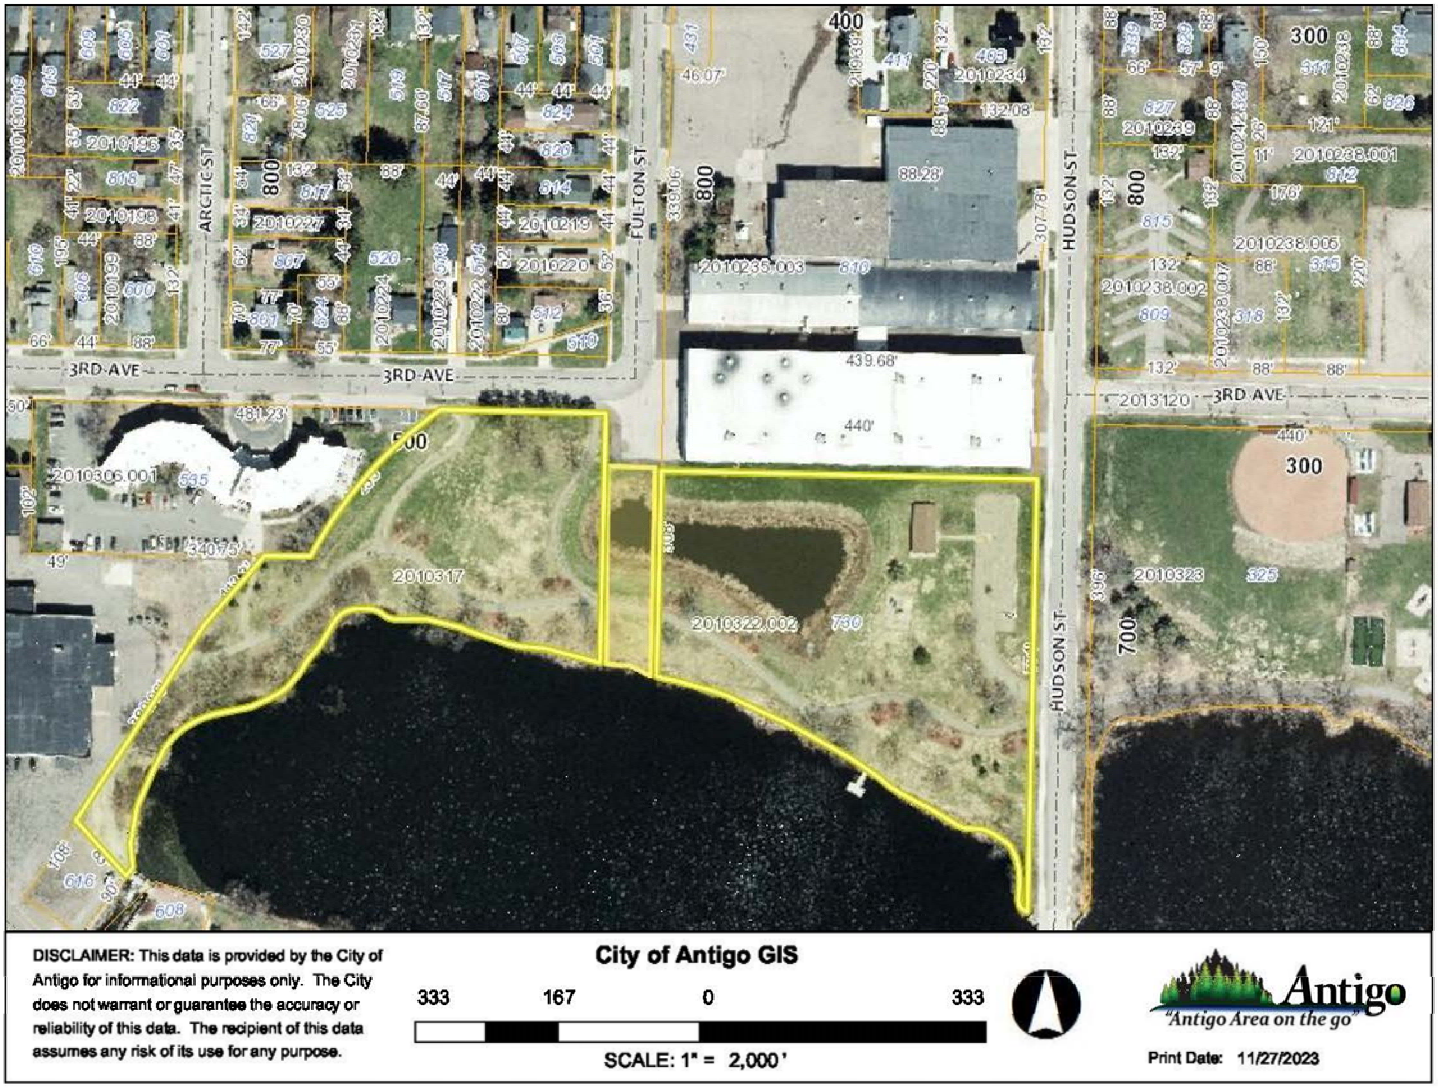

Additional Notes/Comments
Accessible parking, updated electrical and restroom facilities, and close proximity to Springbrook trail make this park and shelter in high demand in the spring, summer and fall months.

Attachment: 2024-2029_CORP (6548 : 2024-2025 Park Plan)

Current Park Utilities
Electric: Yes
Description: 6, 120 volt electrical duplex outlets on separate 20 amp circuits. 4, 120 volt duplex outlets are available on separate

Jaycee Park & Antigo High School
Unified School District of Antigo
118 South Clermont Street / 1725 10th Avenue

Park Classification: Unified School District of Antigo
Park Season: Spring - Fall
Park Hours: 7:00 am - Dusk
Restroom Facilities: Yes
Total Acreage: 13.987
Parcel(s) Number: 2012618.001, 2012579.001 (Jaycee); 2012962, 2012961, 2012960, 2012959, 2012957 (HS)

General Park Description
Jaycee Park is owned and operated by the Unified School District of Antigo. The facility currently has 6 deteriorating tennis courts. The park is adjacent to a track with water access, and is surrounded by fencing, there is an old restroom building that no longer has any utility hook-ups on the far east end of the park.

There is a large gravel parking area to the north of Jaycee Park that has a walking bridge from the parking lot to the park. This parking lot is owned by Zelazoski Wood Products.

Antigo High School has a large green space that is used for various athletic programs. There is a restroom onsite as well as storage.

History
Jaycee Park is 2 blocks from the Antigo Middle School, which used to be the Antigo School. The park is still used by the school for athletic practices and classes.

Prior to the construction of the Elleson Tennis Courts, at the High School, Jaycee Park was used for tennis practice and games for High School Tennis as well as the community for tennis league, camps and clincs.

Recent Upgrades

Future Projects/Upgrades
- The goal would be to resurface the courts, and construct up to 12 pickleball courts.
- Updates to the restroom facility would also be a needed because all services were removed.
- Complete a contract with the high school and local pickleball leagues, and work to accrue funds through donations, and secure in-kind labor agreements for future Pickleball courts.

Additional Notes/Comments
Pickleball currently has 2 local organizations that work together to offer indoor play during the fall, winter and spring months.

During the summer, Pickleball utilizes Elleson Tennis Courts, which are prioritized for tennis; Pickleball is secondary. Growing numbers for Pickleball have spurred conversations regarding a location that could be exclusively for Pickleball. Both Jaycee Park and the High School have advantages for exclusive Pickleball courts.

Kingsbury Park
707 Fifth Avenue

Park Classification: Mini Park
Park Season: Spring - Fall
Park Hours: 7:00 am - Dusk
Restroom Facilities: No
Total Acreage: 0.100
Parcel(s) Number: 2010546

General Park Description
Kingsbury Park offers green space complete with benches, trees and paved paths in the middle of downtown.

History
A building once stood where Kingsbury Park is today, but unfortunately, a fire caused for demolition of the building.

Recent Upgrades
Informational sign, for adjacent horse racing mural, was placed below the park identification signage in 2023

Future Projects/Upgrades
- Place concrete pad under bike rack

Additional Notes/Comments
Green space is an important aesthetic in urban areas. This park's close proximity to shops and restaurants make it an ideal location to take a rest or enjoy a lunch break.

The shade the tree provides can offer up to a 10 degree difference in temperature during the hot summer months.

Current Park Utilities
Electric: No
Gas: No
Water: No
Sewer: No
Storm water: Yes
Notes: The storm water utility was implemented in 2010 by the City of Antigo Common Council to offset storm water repairs and maintenance. We began incurring costs in May of 2010.

Property Description
Buildings: None

Playground Equipment: None

Lakeside Park

510 4th Avenue

Park Classification: Special Use Area
Park Season: Spring - Fall
Park Hours: 7:00 am - Dusk
Restroom Facilities: No
Shelter: 20' x 20' open air wood shelter
ADA Kayak Launch: Installed summer of 2023
Boat launch: Antigo Lake is a no-wake lake, but electric trolling motors are allowed
Additional Amenities: Picnic tables, grill, trash receptacles
Total Acreage: 0.45
Parcel(s) Number: 2010317

Description
Lakeside park was expanded in 2021 to include an adjacent parcel to the west. A15' trail easement was also acquired in 2021, and grant funding, to develop the park, was awarded in 2023 to include a, open-air shelter, trail connection to the Springbrook Trail, boat launch, and ADA kayak launch. Project completion will occur in 2024.

History
The original green space owned by the City of Antigo (prior to acquiring the adjacent west parcel) was undeveloped, and maintained through mowing and trimming. Antigo Lake is a no-wake lake, so it is an ideal location for a kayak launch as well as a small boat ramp for electric trolling motors.

Recent Upgrades
- Land acquisition
- Installation of an ADA Kayak Launch

Future Projects/Upgrades
- Complete site plan for development
- Construct parking area
- Install boat ramp
- Construct connection pathways to the Springbrook Trail
- Plant trees
- Construct shelter, complete with picnic tables, trash receptacles, and a grill
- Install a rental kayak & bike station

Additional Notes/Comments
Accessible parking, lake access, picnic area, and a trail connection to the Springbrook trail make this area a great addition to our park system and community.

Close proximity to Lakeside Market Pharmacy and Grocery, downtown, and the Antigo Lake RV Park are also benefits to those wishing to utilize the park, and the amenities.

Mendlik Park

1439 Clermont Street - corner of Mendlik Avenue and Clermont Street

Park Classification: Neighborhood Park
Park Season: Spring-Fall (varies due to weather conditions)
Hours: 7:00 am - Dusk
Restroom Facilities: None
Playground Equipment (wood chipped): 1 swing set (2 baby and 2 child swings) and 1 slide
Additional Amenities: 2 full sized basketball courts and 1 half court
Total Acreage: 1.018 acres
Parcel(s): 2012293

General Park Description
This park has 2 full size fenced in courts with 4 basketball hoops. A single basketball hoop and half court pad is located just outside the fence. The court was resurfaced in the fall of 2009. There is also a large area of open green space for various games and activities with playground equipment to the north of the courts.

History
This park was originally home to tennis courts. In the winter the open green space was flooded for ice skating.

Recent Upgrades (within the past five years)
- East side of the chain-link fence was replaced with a 8' wooden fence

Future Plans
- Resurface and paint the basketball courts in 2024; the resurfacing from 2009 is pealing and flaking
- Create larger access in fencing
- Remove small basketball court and move playground equipment to the small court location
- Create bump-in parking on the Mendlik Street side where the play equipment was

Additional Notes/Comments
- The basketball courts receive a lot of play during the non-winter months
- These courts could be utilized for a low-cost recreation program for youth
- The possibility for league play and organization also exists for the basketball facility

Attachment: 2024-2029_CORP (6548 : 2024-2025 Park Plan)

Buildings: None

Playground Equipment
- Slide
- 2 seat, 2 post swing

Additional Amenities/Property in the Open
- Fencing around the basketball court and between the playground equipment and street.
- 5 basketball hoops

Attachment: 2024-2029_CORP (6548 : 2024-2025 Park Plan)

North Clermont Park

725 Ackley Street - on the corner of North Clermont Street and Ackley Avenue

- **Park Classification:** Neighborhood Park
- **Park Season:** Year round
- **Park Hours**: 7:30 a.m. - Dusk
- **Restroom Facilities**: A portable toilet is located across the street, on the north side of the ball
- diamond, during the baseball season)
- **Restroom Season:** Baseball season
- **Restroom Hours:** 7:00 am - Dusk
- **Playground Equipment** (wood chipped): Swing set (2 baby and 2 child swings), 1 slide, 1 set of climbing poles, 2 rocking horses. 1 merry-go-round in sand area.
- **Additional Amenities:** 1 single basketball hoop with a half-court pad and wooden benches.
- **Total Acreage**: 0.555 acres
- **Parcel(s) Number**: 2013185

General Park Description
North Clermont Playground is located across the street from the North Clermont Ball Diamond and adjacent to a group of apartment complexes. The variety of playground equipment and basketball hoop make this park a great place to recreate.

History

Recent Upgrades (within the past five years)
- Trees planted in 2019 as part of Arbor Day Celebration

Future Park Plans
- Purchase and install new modular play structure with sensory component and PIP accessible surfacing
- Resurface basketball court

Additional Notes/Comments
- The North Clermont Playground receives a heavy amount of usage from the apartment complexes that are adjacent to the playground. The park is also used by families attending ball games across the street at North Clermont Ball Field

Peaceful Valley Park

420 Field Street

Park Classification: Community Park
Park Season: Year round
Park Hours: 7:00 am - Dusk
Restroom Facilities: Accessible men's and women's restrooms on the north side of the Warming House. Unisex restroom facility off the main warming room in the Warming House. Warming House available for reservations year-round.
Restroom Season: Summer months, north side of building. Winter months, unisex restroom off main warming room.
Restroom Hours: 7:00 a.m. - 8:30 p.m.
Playground Equipment: Large community built playground in a whimsical theme with castle towers, railroad cars and ships. Separate Tot area with sand box.
Additional Amenities: Benches, picnic tables and a covered ice rink in the winter under the Heinzen Pavilion, and Hockey Rink to the west of the Warming House.
Lighting: A dusk to dawn light illuminates the rink in the evening.
Total Acreage: 4.54 acres
Parcel(s) Number: 2010775.001, 2010773, 2010774 2010929 (Perry Parcel; south of 7th Avenue)

Description
Peaceful Valley Park is a repurposed brownfield with large open green spaces. Much of the area is in the flood plain, so building construction is limited and all future plans must be reviewed to ensure compliance. Close proximity to downtown, Springbrook Trail connections, and community built playground with a warming house and 40' x 80' pavilion with garage doors that can be lowered to make it enclosed. Spring Brook flows adjacent to the property within contained water walls. A variety of tree species have been planted within the park. Rugosa roses have been planted along the water wall. Zoning classification: B3. The park space allows for a variety of community events, and smaller private events. The development of this once blighted area is a great asset to the community.

North of the park property is the Peaceful Valley Festival Grounds, which has ample parking, electric and a raised stage (future development of the Festival Grounds is planned for 2024).

South of the park property is a small parcel (known as the Perry Parcel; 2010772), which we plan on constructing connecting Springbrook Trail segments through that will connect to the City Wide Bike Route.

Two community ice rinks are available in the winter months in Peaceful Valley Park, and include a covered ice rink under the Heinzen Pavilion and a hockey rink with lights to the west of the Warming House; each receive a high level of use. The warming house has windows that look out onto the rink creating a warm and convenient area for parents to watch their children.

Memorial benches honoring various community members have been placed throughout the park, and along the trail segments.

The park is home to the Annual Saturday Farmers' Market, rain location for the Summer Music in the Park Series, Badgerland Classics Customs & Car Show, Antigo Garden Club Plant Saleand various fundraisers, celebrations, and programs.

Attachment: 2024-2029_CORP (6548 : 2024-2025 Park Plan)

History
Site preparation was a cooperative effort between city departments (Street Department, Engineering and Parks). The total acreage for this park was expanded in 2010 due to the acquisition of the Riser Energy Parcel through the Hospital Land Exchange.

Rockin' Robin Community Built Playground was spearheaded by former Mayor Michael Matousek. Construction was completed in the fall of 2008. Funds were raised through donations and the sale of specific playground structural items (benches, bridge...etc.). The sale of engraved pickets on the perimeter of the playground help off-set maintenance costs (wood chips, staining, repairs...etc.). The playground is known by the community as "Castle Park"

A $130,000 donation by Mr. and Mrs. Edward Stasek allowed for construction of the restroom/warming house facility in 2009/2010. Additional funding for this facility was made possible through donations from the Optimists and the Community Association of Retirees. Installation of a speaker system at the warming house was made possible through a donation by the Kjome family.

In 2011, two Springbrook Trail segments were constructed running north and south on the west and east side of the park. Kautza Excavating donated funds and labor for the trail segments.

Heinzen Pavilion
- 2012: The City of Antigo received a grant from the Elwyn Remington Foundation for $25,000.
- 2014: Plans were drafted for the Heinzen Pavilion, complete with renderings.
- 2014: The City of Antigo was gifted a $150,000 donation from the Don and Audrey Heinzen family for the facility.
- 2016: The City of Antigo was awarded a Knowles Stewardship Gran in the amount of $224,200 (remaining project funds came from City CIP and Timber Sale: $254,750).
- 2016: Construction began; Tradewell Construction was the general contractor for the project
    - Antigo HS Red Robin Machining made the metal letters for the signs that hang on the east and west gable ends
    - Wood for the signs was procured from our local urban forest
    - The metal banding around the signs was manufactured by Innovative Industries Incorporated
- 2017: Construction was completed
- 2018: City of Antigo was awarded WPRA Park Section Design Award in appreciation for outstanding innovation and design of park facilities

Recent Upgrades
A bike repair station was donated and placed in 2022 to the west of the Heinzen Pavilion near the west Springbrook Trail segment.

Future Projects/Upgrades
- Accrue funding for new playground with PIP surfacing
- Update security camera system
- Update speaker system at Heinzen Pavilion
- Develop parcel south of 7th Avenue to include Springbrook Trail Connections

Additional Notes/Comments
- Vandalism is a constant issue at this site. Structural damage as well as graffiti and litter cost the City of Antigo considerable resources in the form of labor and supplies. We work closely with law enforcement, and our IT Director to identify vandals, and recoup costs associated with damage.
- Continued development of the park makes it a desirable location for large and small events. The close proximity of downtown, the playground, open green space, the Warming House, and Heinzen Pavilion make it family friendly as well.

Attachment: 2024-2029_CORP (6548 : 2024-2025 Park Plan)

Current Park Utilities

Electric: Yes
Description: One light used to illuminate ice rink (dusk to dawn). Lights on the north and south side of the building illuminate the area around the warming house (dusk to dawn). Security cameras in the building and on the outside assist with vandalism prevention. All lighting for the building interior is regulated by sensors to create energy efficiency.
Gas: Yes
Description: In floor heat assists with keeping this facility comfortable and cost effective in the winter months.
Water: Yes
Description: Auto on/off faucets assist with less water waste. External hose bibs are vandal resistant.
Sewer: Yes
Storm water: Yes
Notes: The storm water utility was implemented in 2010 by the City of Antigo Common Council to offset storm water repairs and maintenance. We began incurring costs in May of 2010.

Property Description
Buildings

Warming House with Restrooms (masonry bearing walls)

Dimensions of Interior Area: 28' x 18'
Year Built: 2010
Interior Contents:

- **Serving Area / Counter**
- **Serving Window:** Located on the west side of the building; allows for outside access from the kitchen.
- **Roll-up Concession Door:** Separates main warming room from kitchen.
- **Refrigerator with Freezer**
- **Microwave**
- **Sinks:** 2 sinks with 4 basins; ample counter space
- **Electric:** 120 volt electrical duplex outlets are located throughout the warming house facility.
  - 5, in the concession area.
  - 7, in the warming area.
  - 4, on the exterior of the building.
- **Lighting:** Lighting is on a photo sensor for both the interior and exterior of the warming house.
- **Tables:** 24 chairs and 5 tables are available with the shelter reservation.
- **Bench:** Runs along length of west, east, and partial south wall.
- **Restrooms:** Men's and Women's restrooms are located on exterior north-side of building; one unisex restroom is located in interior of building.
- **Large garbage cans**

Peaceful Valley Heinzen Pavilion (metal structure with metal roof)

- **Dimensions of interior area:** 40' X 80'
- **Lighting:** Lighting is on a photo sensor for the exterior, and a switch for the interior.
- **Tables:** 22, 6' Banquet tables and 6 chairs/table are available with the shelter reservation.
- **Restrooms:** Men's and Women's restrooms are located on exterior north-side of the Warming House.
- **Large garbage cans:** Located around the pavilion
- **Fans:** Ceiling of Pavilion
- **Electric:**
  - 16, 20 amp duplex outlets; 12 separate circuits
  - 8, 4 wire 30 amp service outlets
- **Parking Areas / Spaces:**
  - *Northern Parking Lot*: 108 Parking Spaces
  - *Small lot off of 6th Avenue*: 15 Parking Spaces
  - *Adjacent to Rockin' Robin Playground*: 31 Parking Spaces
  - Additional on street parking surrounding park
- **Temporary Event Tent Sites:** There are several areas available to place temporary tents

Peaceful Valley Festival Grounds

620 6th Avenue

Park Classification: Special Use Area
Park Season: Year round
Park Hours: 7:00 am - Dusk
Restroom Facilities: Accessible men's and women's restrooms on the north side of the Warming House. Unisex restroom facility off the main warming room in the Warming House. Warming House available for reservations year-round.
Restroom Season: Summer months, north side of building. Winter months, unisex restroom off main warming room.
Restroom Hours: 7:00 a.m. - 8:30 p.m.
Additional Amenities: Benches, swing bench, raised stage with covered canopy, and Springbrook Trail segments, electric, and 108 parking stalls
Lighting: Dusk to dawn lighting along trail segments, and overhead lighting illuminating the parking lot
Total Acreage: 1.763 acres
Parcel(s) Number: 2010581.001

Description
A number of organizations currently utilize the Festival Grounds, and adjacent Peaceful Valley Park for annual community events, Winter Wonderland, or for overflow parking.

The primary purpose of the Festival Grounds is a parking lot to supplement larger events that may be occurring in Peaceful Valley Park. Additionally, the parking lot can be supplemental parking for adjacent businesses.

The Springbrook Trail connections transition through Peaceful Valley Park, the Festival Grounds, and then to the Antigo Lake Basins, which connect to the north side of Antigo.

History
The original vision with the Festival Grounds overall design was to add trail connections, green space, a raised stage and ample electric to accommodate a variety of events.

Some areas of the festival grounds were identified as being contaminated due to prior industry that utilized the space. These areas were capped, so the space is now a multi-use repurposed brownfield.

Recent Upgrades
We were recently awarded two grants from local foundations to support enhancing the Festival Grounds with a canopy over the raised stage, decorative poles, and decorative string lights from the canopy to the poles. An additional trailer with tables and chairs will also be purchased for events.

Future Projects/Upgrades
- Construct canopy over the raised stage
- Add decorative poles and string lights that extend from the canopy to the poles
- Purchase trailer, table, and chairs for events

Attachment: 2024-2029_CORP (6548 : 2024-2025 Park Plan)

Additional Notes/Comments

- Continued development of the park makes it a desirable location for large and small events. The close proximity of downtown, the playground, open green space, the Warming House, and Heinzen Pavilion make it family friendly as well.

Current Park Utilities

Electric: Yes

- *Northern Parking Lot (Additional $25.00 fee for electrical capabilities in Northern Parking Lot)*:
- 48, 20 amp duplex outlets; separate circuits
- 3, 4 wire 50 amp service outlets

Gas: No
Water: No
Description: Auto on/off faucets assist with less water waste. External hose bibs are vandal resistant.
Sewer: Yes
Storm water: Yes
Notes: The storm water utility was implemented in 2010 by the City of Antigo Common Council to offset storm water repairs and maintenance. We began incurring costs in May of 2010.

Property Description
Additional Amenities/Property in the open
Lighting: street/parking lot lights and trail lights are on dusk to dawn sensors.

Railway Activity Park

Optimist Skate Park, Rotary Sled Hill, Rotary Bike Park & Pump Track

1011 First Avenue

Park Classification: Community Park
Park Season: Year round (based on weather conditions).
Park Hours: 7:00 am - Dusk
Restroom Facilities: A portable toilet is located on the south side of the skate park during the summer months.
Restroom Season: Summer months
Restroom Hours: 7:00 am - Dusk
Additional Amenities: Rotary Sled Hill, Optimist Skate Park, and Rotary Bicycle Park & Pump Track
Total Acreage: 3.454 acres
Parcel(s): 2010002, 2010152 (Riser Energy Parcel)

General Park Description

- **Rotary Bike Park & Pump Track:** The bike park & pump track is available in the spring and summer months. Bring your bike and enjoy all the different features based on different skill levels.
- **Rotary Sled Hill:** The sled hill is available in the winter months. Sled hill conditions are contingent on the amount of snow and favorable winter weather. Bring your sled and enjoy some sledding fun in the potato flats.
- **Optimist Skate Park:** The skate park is available in the spring and summer months. Bring your skateboard, scooter, etc. and enjoy the various ramps, rails and boxes.

History

The sled hill was a vision of the City Administrator, Dale Suomi's. It was made a reality in 2007 with the fill provided from the creation of the retention pond on Edison Street for Volm Bag. The hill was shaped by Krueger and Stienfest. The total acreage for this park was expanded in 2010 due to the acquisition of the Riser Energy Parcel through the Hospital Land Exchange. The tree plantings were funded through grants from WPS and ATC.

Recent Upgrades

- In 2018, Rotary funded and volunteered to landscape the sled hill, so it was aesthetically pleasing in the non-winter months
- Rotary Bike Park & Pump Track was installed in the summer of 2024 with funding and volunteer assistance from Rotary members

Future Plans

- Install concrete skate park features that are more durable and longer lasting
- Construct parking area off Dorr Street that terminates into a cul-de-sac
- Contraction of the RC track in the south west corner of the park 2024
- Construct connecting Springbrook Trail Pathways north/south through the park
- An agreement/contract was completed in 2023 for the installation of an RC Track at the south east end of the park by Langlade County Radio Control Club
- Construct open-air shelter
- Asphalt pump track

Additional Notes/Comments

- The sled hill is heavily utilized in the winter months and a great addition for the community.
- In 2010 the City of Antigo acquired parcel number: 2010152 or the “Riser Energy Parcel”. This parcel expanded the existing park property to the south allowing for additional recreational opportunities in the future with continued park development.

Saratoga Park
1235 Nantasket Street

Park Classification: Neighborhood Park
Park Season: Spring - Fall
Park Hours: 7:00 am - Dusk
Restroom Facilities: Yes
Restroom Season: Spring - Fall
Restroom Hours: 7:00 am - 8:30 pm
Shelter: Available for reservations from May 1 - October 1
Playground Equipment: Large play set with slides, climbing bars, climbing wall and various platforms.
Additional Amenities: Bench, full size soccer field with nets, grills, picnic tables and adjacent to a softball and baseball field.
Total Acreage: 3.815
Parcel(s) Number: 2013428.004

General Park Description
Saratoga Park has one softball field (Saratoga South) and one baseball/softball field (Saratoga North). There is a restroom facility complete with shelter, a full size soccer field, playground equipment and accessible parking within close proximity to the ball fields.

History
The park was developed through a Wisconsin Stewardship ADLP Grant (1997-2001)

An RC Racetrack was constructed by the RC organization and with cooperation from the City of Antigo Parks Department. The track is no longer in use and was demolished in 2011. This area's future plans involve putting greens, batting cages and a trail connection to the Antigo Activity Park.

Recent Upgrades
- Concessions added to the shelter
- Saratoga Campground with 10 sites

Future Projects/Upgrades
- Chain-link fence along the west side of the soccer field to prevent balls from going onto road
- Continue to develop the campground

Additional Notes/Comments
Accessible parking, updated electrical and restroom facilities, and close proximity to Springbrook trail make this park and shelter high demand facilities in the spring, summer and fall months.

Attachment: 2024-2029_CORP (6548 : 2024-2025 Park Plan)

Current Park Utilities

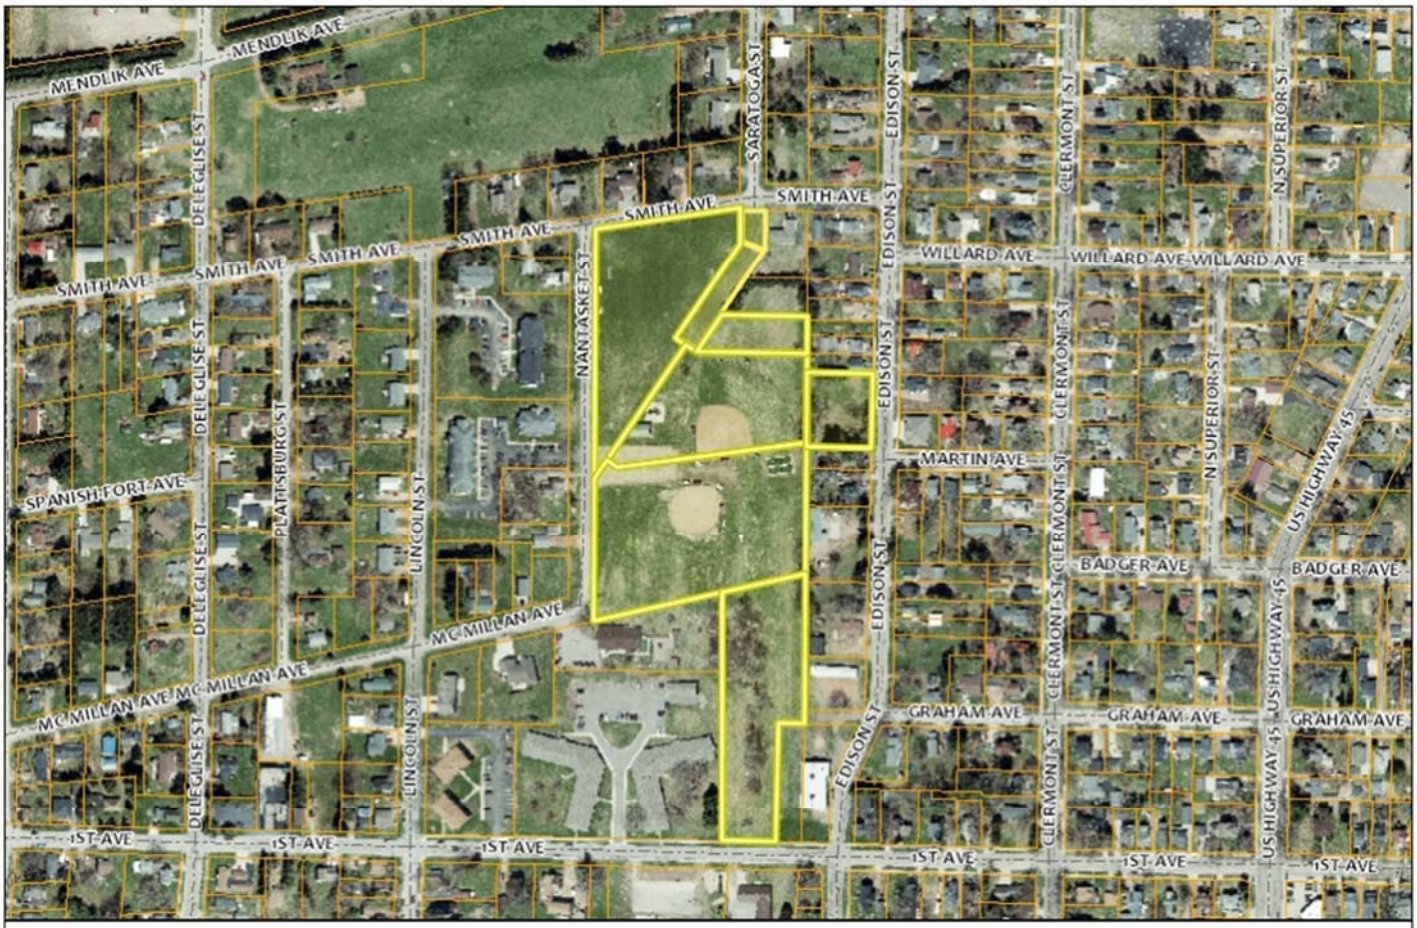

Electric: Yes
Description: 8 electrical outlets are available on the exterior of the shelter and operate on 4 20 amp circuits. There is also an electrical pedestal located near Saratoga North for the scoreboard console. Shelter lighting is operated by a dusk to dawn photo sensor.
Average Annual Cost:
Gas: No
Water: Yes
Description: Restroom facility sinks and toilets
Sewer: Yes
Provider: City of Antigo
Storm water: Yes

Property Description
Buildings
Restroom block building. 2 women's stalls, 1 urinal and 1 stall in men's restroom. Center maintenance room with keypad access. Currently used for baseball/softball equipment storage. Sealed concrete floor.
Dimensions: 28' x 14'
Year Built: 2004 (estimate)
Interior Contents: Large maintenance area in center between restrooms.
Covered shelter area. Laminated beam construction with tongue and groove ceiling.
Dimensions: 32'4" x 28'2"
Year Built: 2004 (estimate)
Interior Contents: N/A

Playground Equipment
Large play structure with multiple levels, slides, bars and climbing features (wood chipped). Located north of the shelter.

Additional Amenities/Property in the Open
- Gravel parking area and driveway access
- Grills: 2 grills located near east edge of shelter concrete pad
- Picnic Tables: 12
- Large red garbage cans
- 2 full size soccer nets. Nets are staked to prevent accidental tipping.

Additional Amenities:
Total Acreage Parcel(s) Number: 2013427

General Campground Information

- **Check-Out:** 1pm on the following day of the last paid night.
- **Check-In:** You may occupy your site once the prior reservation party has left.
- **Online or Self Registration**
- **Re-Registration:** Campers must re-register by 4pm the day prior to their last day if they wish to stay additional nights.
- **Quiet Hours:** 10pm-6am
- **Site Sizes & Information:**
  - $10/night, 10 sites
- **Restroom / Shower Facility:** All sites/campers have access to the shower/restroom facility located at Antigo Lake RV Park and Campground. Showers are on a timer and don't require quarters. The access code for the shower/restroom facility will appear at the bottom of your receipt.
- **Dump Station:** The Dump Station is free for registered campers located at Antigo Lake RV Park and Campground. The fee is $10 for non-registered campers.
- **Water:** Campers may fill their RV's at the designated potable water spigot located at the entrance for $10. Individual sites do not have water hook-ups.
- **Fire Rings & Picnic Tables:** No
- **Firewood:** We stock firewood from trees removed in our parks, boulevards, or city cemeteries. Firewood is typically available throughout the season with a free-will donation located at Antigo Lake RV Park and Campground. The key to access the wood shed is in the shower/restroom facility.

Attachment: 2024-2029_CORP (6548 : 2024-2025 Park Plan)

Future Projects/Upgrade

- Brush-out area west of the campground
- Add additional campground sites on the east edge
- Install dump station
- Develop parking area off Edison St
- Add electric to overflow sites
- Continue Springbrook Trail connecting segments north/south through the park

Additional Notes/Comments

- Saratoga Campground is available for overflow for ball tournaments, and conveniently located in Saratoga Park just south of the Saratoga Ball Fields.
- To accommodate the increased usage due to ball tournaments
- Access is off of Graham Ave

Current Park Utilities
Electric: No; generators are allowed to run from 6am to 10pm
Gas: No
Water: Campers may fill their RV's at the designated potable water spigot located at the entrance for $10. Individual sites do not have water hook-ups.
Sewer: No
Storm water:

Ball Diamonds

Recreational softball and baseball leagues are popular activities in the City of Antigo. There are a number of bar leagues, church leagues and youth baseball and softball programs.

There are a minimum of two tournaments during the summer season that bring a number of visitors to the community. The fields are also utilized by the Unified School District of Antigo for their varsity, junior varsity and freshman softball and baseball programs. In addition to the high level of usage from leagues and the schools the fields also see use from groups hosting events that are renting shelters.

Due to the high level of use our baseball and softball fields see each year we strive to provide updated and well maintained facilities. Over the past ten years our fields have seen a number of upgrades including top dress material (allowing for play in wet conditions), facility upgrades to Senior League, North Clermont, Al Remington Little League, Kretz Park, Saratoga North and Sourth, and Fredrickson Memorial Field.

Additional administrative processes have been implemented to assist with ease of field reservations and access to information.

A common theme seen in all of our parks, as well as the ball diamond facilities, is visible signage.

We will continue facility upgrades as funding is available. The direction of our improvements is determined by feedback from field users and the general public.

We are thankful for the continued community support that have allowed a number of facility upgrades and improvements.

Future Plans

- Parking lot and trail development, remote area behind right field, cover culvert, complete Springbrook Trail connection along Antigo Lake Basin
- Concrete under bleachers
- Continue with terraced seating to the south of the seating deck
- Install modular playset with PIP surfacing
- Backstop netting
- Concrete pathways from parking lot to concessions along first baseline, and from patio below seating to restroom facilities

Additional Notes/Comments

Al Remington Park is home to Little League Baseball. The overall park complex is adjacent to the hospital and the southern access point to the boardwalk (one component of the Springbrook Trail). The field is a fan favorite for its unique seating that allows parents and families to view the game while seated on grassy slopes, or on the seating deck off the third baseline.

The majority of park improvements are due to the local support of foundations, and individuals that recognize the value to our community, visitors, and the youth.
