DATE MAILED: January 04,2024

TOM BAUKNECHT

To: Mayor and City Council
From: Kirk Packard, Street Commissioner
Date: January 10, 2024
Re: Possible Purchase of Used Patch Box and Waiver of Bidding Requirements

There is an opportunity to purchase a used patch box from Stepp Manufacturing in Minnesota. The used patch box is a 2009 and is listed for \$25,000. A new patch box would cost approximately \$155,000.

I was able to view the used patch box. The patch box does have some rust on the doors, which the manufacturer advised they will fix prior to purchase.

Typically we would bid this type of purchase. However under the exceptions to bidding requirements there is a provision that in the event a department wishes to purchased used, one of a kind, or special purpose equipment or product, the bidding requirements can be waived by the presiding committee.

I am requesting permission to purchase the used patch box if it is of good quality and in the best interest of the City. I am further requesting waiving the bidding requirement under the provision of purchasing used equipment.

This purchase is budgeted.
