Re: Bid Results Including State Purchase Pricing for the purchase of a 1/2 Ton 4x4 Extended Cab Pick-up, a 3/4 Ton 4x4 Crew Cab Pick-up and a 8'-2" Boss Plow

A bid package was advertised for the consideration of purchasing the following vehicles:

Previously considered by the FP&L Committee on 2/20/19

- One (1) Mid-Sized SUV 4x4 or AWD for City Hall

To be considered by the Public Works Committee

- One (1) ½ Ton 4x4 Extended Cab Pick-up for Public Works @ City Hall
- One (1) ¾ Ton 4x4 Crew Cab Pick-up for the Street Department
- One (1) Boss Snow Plow for the Street Department

The bids were opened and read at City Hall on Monday, February 4th and have been compared to each other and to pricing available through the Wisconsin 'Vendornet' System (State Purchase Program). The results of the bidding are summarized and attached to your agenda packets.

It is my recommendation that the ½ Ton 4x4 Chevy Silverado Extended Cab Pickup be purchased from Parsons of Antigo in the amount of \$30,402 (as bid) + \$160 for the added skid plates option for a total amount of \$30,562.

It is also my recommendation that the ¾ Ton 4x4 Ford F-250 Crew Cab Pickup be purchased from Ewald's Ford of Hartford in the amount of \$33,038 (as quoted from the State Purchase Program) + \$6,847 for the added Boss Snow Plow package option for a total amount of \$39,885.

Finally, it is my recommendation that the trade vehicles be scheduled for disposal at auction through the City as appropriate or soon after the new vehicles are delivered.

Please feel free to contact me in advance with any questions.

Re: 2019 Cured In Place Pipe and Grouting Contract Approval

Please find the attached bids from the 2019 Cured In Place Pipe (CIPP) and Grouting Contract. Terra Engineering bid was \$55,280 which was the low bid. Terra has done excellent work with us in the past and I would recommend that the committee approves Terra Engineering for this project. Funds were budgeted for out of the Sanitary Sewer CIPP account.

Re: 2019 Sidewalk and Driveway Approach Replacement Program

Please see the attached map of the areas that have City sidewalk that needs replacing. We would need approval from the Public Works Committee to proceed with a public hearing to special assess the property owner 75% of the cost, the City pays the other 25% on address sides only. Non address side the City pays 100%.

APPROACH PROGRAM LOCATIONS

ADDRESSES: 1013 9th Ave, 1005 9th Ave, 124 Dorr St, 114 Dorr St, 242 Field St, 519 Lincoln St, 515 Lincoln St, 509 Lincoln St, 503 Lincoln St, and City Owned Right of Way

Proposed Sidewalk Quantity: Approx. 3,140 SQ FT

Proposed Driveway Approach Quantity: Approx. 1,015 SQ FT

SCALE: 1" = 500'
