Re: Snow Removal Charge Dispute for 839 5th Ave - MCKENZIE ZIMA

The property of 839 5th Avenue, owned by MCKENZIE JO ZIMA, had snow removed by City Crew on 3/1/2022 from the snowfall on 2/25/2022. Zima contacted the City of Antigo with the following:

"I got a charge for snow removal. I work at the theatre Saturday and Tuesday. I checked it those days. I know it was good when I left Saturday, and same for Tuesday. I did go on a short vacation starting Friday the 4th. As far as I know, my building was fine and clear. And I honestly can't afford \$100 from some guy shoveling a 10-ish foot area of snow. Just wondering if there's anything we can do. Thank you in advanced, I am trying hard to get that building up and running again; It just needs a lot of work. Thank you for understanding."

City crews have video footage of before and after removing snow from in front of the property on 3/1/2022.

Re: Approval of Bid Deemed Most Advantageous to the City of Antigo for the 2022 Spring Curbside Clean-up - Landfill Hauling/Tipping Fees

We solicited bids for the 2022 Spring Curbside Clean-up effort. Two bids were received and opened on March 15, 2022. The low bid was from GFL Environmental at \$72.00 per ton. The other bid was from B&B Containers at \$105.00 per ton.

GFL has been awarded this bid in the past and have been exceptional to work with. It is my recommendation to award the low bid to GFL Environmental at \$72.00 per ton.
