Members of and possibly a quorum of members of other governmental bodies may be in attendance to gather information. Any governmental body other than that specifically referred to above will take no action.

DATE MAILED: April 04,2025

SCOTT HENRICKS

Public Works Special Meeting

4-9-2025

Bids were advertised for sludge hauling for the 2025 season. The bid document requested an individual price per gallon as well as pricing for a long term 3-year contract. Bids were received from Kautza Septic Service Inc. and Michael J Waldvogel Trucking LLC. As per the attached bid tabulation, Kautza Septic's bid for 2025 was \$0.032 (3.2 cents) per gallon, and \$0.032 per gallon for a 3-year contract. Michael J Waldvogel Trucking's bid was \$0.044 (4.4 cents) per gallon for 2025 and \$0.045/gallon for a 3-year contract.

Bids were opened on April 2 at 1:00 pm with alderperson Henricks present. It is my recommendation that the committee award a 3-year contract for sludge hauling to Kautza Septic Service at the price of \$0.032 per gallon.

If you have any questions, please feel free to contact me.

A. Evaluation of Criteria

We acknowledge that the factors used by the City in evaluating the bids will include, but are not limited to, the following listed, in no particular order:

- Knowledge of municipal sludge spreading rules per WI code NR204
- References and any experience the City may have with the contractor
- City's knowledge about past projects supplied by the contractor
- Proposed cost of sludge hauling per gallon

B. Contractor Certification

The successful contractor will be required to submit to the City a federal W-9 form (request for taxpayer information). Firms already established with the City as a contractor may have this requirement waived.
