Any governmental body other than that specifically referred to above will take no action.

DATE MAILED: April 19,2018

TOM BAUKNECHT

To: Mayor and City Council
From: Charley Brinkmeier, Land Surveyor/Project Manager
Date: April 25, 2018
Re: Post Office Parking Lot Bid Approval

We had 4 bidders for the reconstruction of the Post Office Parking Lot they were:

Heinzen Plumbing - \$342,793.00

Kautza Excavating - \$249,923.00

Musson Brothers - \$267,825.00

Merrill Gravel - \$219,922.50

We are requesting that the committee approve Merrill Gravel for the above amount. Note that Merrill Gravel is also the contractor for the Field and Gowan construction project.

To: Mayor and City Council
From: Mark Desotell, Director of Administrative Services
Date: April 25, 2018
Re: Temporary Removal of Parking Restrictions during the 2018 Building Expansion Project as Requested by CoVantage Credit Union

Co Vantage Credit Union has announced the start of their 2018 building expansion project consisting of the addition of a third story along with a new footprint along the east side of their current facility. The use of their internal parking area to the south of the existing building along with some of the spaces to the east of the building will require to be temporarily closed-off to use during the building construction effort.

The contractors will also need to restrict parking on the east side of Clermont Street and the south side of 6th Avenue (adjacent to the existing) building to accommodate the use of cranes and to accept delivery of construction materials. Sidewalks in these areas will also need to be closed-off to protect pedestrians from inadvertently entering the construction zone.

The City of Antigo also opened bids for the reconstruction of the municipal parking lot located east of the post office and north of 6th Avenue. Available parking stalls in this location will be intermittently compromised as well leading to further demands on the on-street parking stalls in the vicinity of both projects.

At this point in time the following considerations of the Public Works Committee are being requested to accommodate the impacts from both projects:

1. The temporary removal of the 2-hour parking limit (on both the north & south sides of the roadway) along 6th Avenue from Clermont Street to Edison Street.
2. The periodic closure of parking stalls along the east side of Clermont Street (from CoVantage Credit Union's southwest driveway to 6th Avenue) and along the south side of 6th Avenue (from Clermont Street to CoVantage Credit Union's northeast driveway entrance).
3. Authorization for staff to grant other unanticipated adjustments to the projected temporary parking plan as they develop during the construction process as coordinated with CoVantage Credit Union and their chosen contractor.

A map is provided in your agenda packets to help identify the areas being referred to within this memo.
