Re: CIPP Lining Bid Approval

We have received one bid for CIPP lining of approximately 1500 LF of sanitary sewer. The bid we received is over the budgeted amount, but after talking to the Finance Director, we can cover the overage from the Sanitary Sewer budget. These pipes are concrete pipes in very poor condition. We are recommending approval to Visu Sewer for the amount of \$120,325. I have talked to other municipalities and they have also seen an increase in the CIPP pricing.
