Re: Request to Remove the No Parking Sign on Hogan Street

I received a request to remove the No Parking Sign located next to the Church of Christ on Hogan Street.

After speaking with the church and neighbors, it has been determined that the sign is no longer needed and can be removed.

Re: Approval of Conveyor Spreader Bid Deemed Most Advantageous

The Street Department went out for bids for an 18" Rear RDS Cross Conveyor Spreader. Employees will utilize this equipment for shouldering and backfilling boulevards with top soil. We received two bids, a copy of the bid tab is attached.

At the time of this memo, I am in the process of talking with Casper's Truck Equipment regarding some questions with their bid. Therefore, I do not have a recommendation as I write this memo. I will have a more definitive recommendation at the meeting.
