Re: Consider Rejecting all Bids and Completing the Paving of Center Street in House

Bids were sought to complete approximately 2,772 square yards of 3" blacktop paving on Center Street (or approximately 2 ½ blocks).

After reviewing the bids received and speaking with staff, I recommend rejecting all bids and completing the work in-house.

It has been determined that it would cost approximately \$26,000 to complete the project in-house as compared to the attached bids.
