DATE MAILED: May 30,2019 BILL BRANDT

City of Antigo Public Works Department

Memo

To: City Plan Commission

From: Charley Brinkmeier

Date: May 20th 2019

Re: Partial vacation of Aurora St

Bob and Cindy Piskula are requesting vacation of the East 20' of Aurora Street north of Second Avenue. The Piskulas would like to construct a new garage for storage and with flood plain restrictions on the east side of their lot, they are requesting a partial vacation. The current zoning requires a 15 foot setback from the right-of-way line but Piskulas would like an additional 5 feet for plantings.

Aurora Street was originally platted as a 66 foot wide roadway but was only ever used as more of an alley than a road. There is a fiber optic utility that runs along the east edge of the gravel, which would not be affected by the 20 foot vacation. Except for WPS and Piskulas this portion of Aurora Street is not really utilized as a public thoroughfare.

After checking with other departments, staff sees no issues with vacating the east 20 feet and would recommend approval for Council action.

Attachment: Aurora St vacation (2800 : Partial Vacation)

5-20-19

I'm writing this letter to request an elimination of 20 ft. of right Away on Aurora St., North of 2nd Ave on the east side to Allow building a garage closer to the existing gravel road that is now a 66 ft right Away. this would Also Allow me to plant pine trees on the edge of the property to block seeing the WPS substation, as pines are not Allowed on city row. If Allowed the is still plenty of room for the existing gravel road.

Thank you for your time in this matter

Bob & Cindy Piskula
