Re: Add Craft Distillery and Micro Brewery to B-2 zoning district, under Conditional uses

None of the zoning districts in the City of Antigo allows Craft Distilleries or Micro Breweries, because this is a growing industry and we have an interested individual in constructing a Craft Distillery they should be added to our Zoning Ordinance.

After talking to other communities it would be in the cities best interest to have them add as a conditional use, because approval would be required by the Plan Commission and City Council the city would have control to allow or not allow and the size and location of any future Craft Distilleries or Micro Breweries
