Re: 2025 Budget Review

During the budget process, a budget book is usually distributed giving budget information that is known at that time. There are, of course, still some unknowns but we have used our best estimates for these numbers until the final costs are received.

When this agenda was put together, the budget book is not yet complete. It is being put together and will be delivered to each of you when it is complete. Hopefully early next week so you have an opportunity to review it.
