Re: Update on the 2023 Budget

As noted in my Council report for October, there are still several unknown factors for the budget with the biggest one being the health insurance. I am hoping to get those final numbers any day so that I can have the information ready to bring to the meeting. An update will be provided at the meeting.

If acceptable after review, there will then need to be action to forward the budget to a November Public Hearing and Adoption.

Should you have any questions, please feel free to contact me.
