Upon inquiry from Mr. Neve, McKenzie Zima, stated alcoholic beverages would be sold to be consumed in the theater only. Mr. Neve noted movie theaters in other communities sell alcoholic beverages and stated they have policies in place to restrict the number of drinks sold to an individual. Upon inquiry from Mr. Steckbauer, Ms. Zima stated she has been to movie theater chains and independent movie theaters that serve alcoholic beverages. Upon inquiry from Mr. Sharon, Ms. Zima stated her staff would be checking the two theaters to ensure underage patrons were not consuming alcohol.

Aldersperson Henricks clarified that alcoholic beverages are to be consumed while watching a movie and that they are not creating a lounge area to consume alcoholic beverages. There was concern about minors having access to alcoholic beverages. Mr. Neve stated it has been his experience at different movie theaters that a person can only buy one alcoholic beverage per photo ID with a maximum of 2 alcoholic beverages per person per visit.

Mr. Steckbauer questioned if there was a liquor license available and Mayor Bauknecht confirmed there were a few available. Mr. Neve confirmed that Ms. Zima was applying for a

Class B license, meaning canned malt beverages. Alderperson Henricks confirmed that Ms. Zima was not selling draft beverages. Mr. Rice clarified the license has no restriction on how much the establishment can sell. He clarified if the license was approved and Ms. Zima sold the business; the license would stay with the address. It was stated that Ms. Zima would need to write a letter relinquishing the license. It was clarified that if a location has never had a liquor license, the request for a license is presented at the City Plan Commission, then goes to Common Council for approval. (Note- the license does not stay with the address).

Mr. Neve would like Ms. Zima to present a formal policy on serving alcoholic beverages in her establishment. There was discussion on publication deadlines regarding obtaining a liquor license.
