Date Mailed: March 19, 2026

Scott Henricks

Street Department
City of Antigo
700 Edison St.
Antigo, WI 54409

Date: March 25, 2026
To: Public Works Committee
From: Kirk Packard, Street Commissioner
Subject: Street Reconstruction 2026

Pine Street: Paser Rating 1 to 3
Four lead services
Two small sanitary repairs
New curb and gutter and driveway approaches

Watson Street: Paser Rating 1 to 3
400 feet of sanitary sewer needs to be replace due to poor condition
New curb and gutter and driveway approaches

Depending on time, we are going to try to get some of the Dixie parking lot also.

We will be sending letters to the home owners on Pine Street and Watson Street to let them know of our plans for this summer. That way if any of the homeowners want to fix their sanitary lateral or water line, this would be a good time.

Fiscal Impact: We are utilizing budgeted funds.

Recommendation: Information Only

RE: 2026 Reconstruction

Dear Property Owner:

The City of Antigo Street Department will be working on your street this summer (700 block Pine Street).

We will be replacing the asphalt, curb and driveway approaches. This would be the ideal time for you to have anything that needs to be fixed with your water and sewer done. There is a lead service program that you may be eligible for to help with your water lines. Please contact the Street Department and we can help you determine if you qualify.

We will be replacing four lead services on the City's side as well as two bad spots of sanitary sewer.

Tentative plan:

- Water services
- Sanitary services
- Curb and asphalt removal
- Remove asphalt removal
- Replace with new gravel, pour new curb and driveway approaches
- New asphalt
- Top dirt and seed

We are anticipating the work to be done by late summer. If you are going to have work done to your water or sanitary lines, please try to schedule this as soon as possible. If you have any questions, please do not hesitate to contact me.

Sincerely,

CITY OF ANTIGO

Kirk Packard
