To: Mayor and City Council
From: Sarah Repp, Parks, Recreation, and Cemetery Supervisor
Date: June 20, 2018
Re: Amend Resolution for Night/Weekend/Holiday Incentive Pay to Include Year-Round Part-Time Public Works Park/Street Employees

~~3/4/2015~~ 6/7/2018

WHEREAS, the Park, Recreation and Cemetery Department has expanded hours during the spring, ~~and~~ summer, ~~and~~ fall months, and

WHEREAS, the Park, Recreation and Cemetery Department would also like to have the ability to staff nights and weekends during the winter months to assist with snow removal and possible expansion of various recreation programs, and

WHEREAS, seasonal general laborer ~~and year-round part-time~~ staff is often required to work on holidays, evenings, and weekends; to ensure shelters, events, the wading pool, and various facilities are available to the public, and

WHEREAS, evening, weekend, and holiday shifts are often difficult to fill and require an added level of responsibility, and

WHEREAS, a \$0.50 increase, per the council approved pay scale, for those filling weekend (defined as Saturday and Sunday) and night/second shift, and time and a half for those working on declared city holidays (and the day the city observes the holiday), would greatly assist with filling the required shifts, and

WHEREAS, the additional funds will not result in an increase to the current budget.

NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL, City of Antigo, to approve \$0.50 incentive pay for weekend and evening shifts, and time and a half for those working on declared city holidays, per the council approved pay scale. The funds will not result in an increase to the current budget.

Re: Purchase Cordless Tools for Extrication with Fire Department CIP Funds

I have been budgeting CIP funds for the replacement of some of our extrication tools which includes our cordless tools. These tools have been proving to be more efficient as we don't have all the tangled cord or hoses when operating at emergency scenes and quicker deployment.

Over the last several years we have had DeWalt cordless tools which have work for us. Recently at training our sawzall pulled apart so we investigated what better technology is out there. After much research and talking with other departments, the recommendation is the Milwaukee M18 Fuel cordless tools. DPW and the Wisconsin Task Force - 1 also uses these tools and they have had great battery run time and no problems with the Milwaukee tools.

I had Lt. Steve Berg do the research and he is recommending a 7 piece combo kit and a deep cut band saw. We checked several websites and the best price is from Home Depot at \$999 for the 7 piece combo kit and CPO for the deep cut band saw with six blades at \$713.98. The band saw from Home Depot only had selections for four blades.

Feel free to contact me if you have questions.

Throwing out my 18v dewalt tools now

Professional contractor I do a lot of earth work. This fuel line blows my old dewalt stuff out of the water. I won't be missing any of them. I am very impressed with the power and battery life. Make sure you get this kit since it has the 5 amp batteries for the same price. It's like having the power of corded tools without the cord. They just feel nicer than any of the other tools you will pick up. Well worth the extra money.

Throwing out my dewalt tools.

I use in construction. They bounce around in my truck toolbox at all times. This fuel line is excellent, best cordless tools I have ever used. For what I do I really don't need corded tools anymore, the fuel line makes it so you have all the power without the cord. Battery life seems excellent so far. I have only had for one week now, but for sure I will never pick up any of my old 18v dewalt tools again. I won't miss them a bit

NEW VS. RECONDITIONED

WHAT'S THE DIFFERENCE BETWEEN NEW AND FACTORY-RECONDITIONED?

Factory-Reconditioned products have been returned to the manufacturer and are restored to like-new operating condition; they go through a rigorous testing and inspection process. Plus, they offer a significant savings vs. new.

- Reconditioned products may have minor cosmetic blemishes or scratches that do not affect item performance.
- Reconditioned products may not come with all of the consumables the new version comes with (bits, sanding pads/papers, cases, etc.).
- Both come with a manufacturer warranty and are covered by our **Money Back Guarantee**; New is **30 days**, Reconditioned is **120 days**.

Re: Appointment of Acting Street Commissioner and Recommend Temporary Pay
 Including any Retroactive Compensation Back to June 1, 2018

Effective on June 1, 2018 I made an "Acting Appointment" of Kirk Packard to the Street Commissioner position vacated by the retirement of Bob Piskula. Under the Hiring, Promotions, Transfers and Assignments section of the City of Antigo Employee Manual the following language dictates the procedures for an "acting appointment":

Appointment of personnel by the department head to a higher classification on a temporary basis in order to fill a vacancy is considered an "acting appointment." An employee holding an acting appointment may receive a temporary pay increase if authorized.

This language dictates that I seek authorization for my recommendation to provide a temporary pay increase to go along with this acting appointment. I have attached the current Pay Grade & Classification Schedule into you agenda packets and am requesting the compensation for Mr. Packard be increased to the entry level compensation of this position at \$59,046.99 and converted to an hourly basis accordingly. I am also requesting that this pay increase be made retroactive to June 1st, 2018; the date on which the "acting appointment" was made effective.

Candidates are being internally sought for the replacement of the Street Commissioner position and once the application period has passed interviews of qualified candidates will be scheduled. Upon completion of that process, a recommendation for the selection of a new Street Commissioner will be presented through the Committee/Council process. I suspect that the recommended candidate name will be presented for final consideration at the August Council meeting.

2018 Compensation Table
